**SKI DAY THANK YOU!**

On behalf of the staff at EHMS, I want to extend a massive THANK YOU to all the parent volunteers who supported our whole school ski day adventure to Cypress. From helping with ski gear, to skiing with kids, to locating lost items and ensuring everyone had a snack, we appreciate all the help. It was a fabulous day and one that wouldn't be possible without you!

**Feeding Futures**

As part of the Ministry of Education and Childcare [Feeding Futures initiative](#), the West Vancouver School District has established a food security structure to confidentially assist students and families. The West Vancouver School District Food Security Plan will help students and families by providing confidential financial support for families facing food insecurity. Families are encouraged to reach out directly to their school principal or to [feedingfutures@wvschools.ca](mailto:feedingfutures@wvschools.ca) if they need support with food-related costs. Please be assured that all requests will be addressed with sensitivity, respect, and confidentiality.

## Morning Reminder

Please help us remind your children of the expectations in the morning. If they arrive before the 8:30AM drum, students are expected to play outside and not be inside the building. This is valuable time for staff to prepare for the day, and we have seen an increase in the number of students hanging out in the hallways or trying to put their things away in their lockers/classrooms. Thank you for your support.

## PERSONAL ITEMS AT SCHOOL

We are seeing more toys and personal items coming to school, which can sometimes create distractions or worries for students. To help keep school days calm and focused on learning, we kindly ask that families avoid sending personal items and toys to school unless there is a school event where shopping is permitted or a teacher has requested an item for a classroom project. Please speak with your children about leaving things at home. Thank you for your continued support and partnership.

### Call Back for Lates and Absences

Please remember to either **email us** at [aatkinson@wvschools.ca](mailto:aatkinson@wvschools.ca) or call the office at (604) 981-1380 if your child will be late or absent from school.

### Daily Health Checks

Parents are asked to do daily health checks before sending children to school. We ask for your assistance to ensure that your child is healthy and well enough to participate in normal school activities. If your child is unwell, please report their absence through the school email at [aatkinson@wvschools.ca](mailto:aatkinson@wvschools.ca). Parents are also reminded that communicable diseases should be reported to your classroom teacher and to the school office. This would include chicken pox, measles, etc. While not a communicable disease, we also ask that students and families report any cases of lice to the office. When we have a report, we can take some preventative measures within our community and classrooms.

## Weather Closures and Procedures

The district aims to keep schools open on every regular instructional days, including those with snowfall. However, the final decision to send students to school resides with the parent/guardian, as they are most familiar with the specific road and weather conditions around their home and community. Any decision to close schools will be made by the Superintendent and will be based on the safety of students and staff. Efforts are made to communicate this information to parents/guardians by 6:00 a.m. on the day of closure. [Please check the school district website for the most current information on school closures.](#)
