DAILY HEALTH CHECKS

We ask for your assistance to ensure that your child is healthy and well enough to participate in school activities. If your child is unwell, please email us at aatkinson@wvschools.ca to report their absence. We also ask that you please report any communicable diseases, including cases of lice, to the office so we can take some preventative measures within our community and classrooms.

Extended Absences for Holidays

Regular attendance at school is important for students' academic progress, social development, and connection to their classroom community. Extended absences, particularly for holidays, can make it difficult for students to keep pace with classroom learning, maintain routines, and stay connected with classmates and teachers. While families may choose to travel during the school year, teachers are not required to provide alternate lessons, assignments, or learning packages for students who are absent because their parents have chosen to take them out of school. Students may miss important instruction, discussions, collaborative learning, and assessment opportunities that cannot simply be recreated later. We strongly encourage families to plan holidays during school breaks whenever possible and prioritize regular attendance throughout the school year.
