Math Festival

This Monday, all Cedardale learners participated in a [Julia Robinson Mathematics Festival](#). The Grade Sevens spent the first part of the morning learning how to lead the festival and they didn't disappoint! They can be proud of their initiative, enthusiasm, and warmth. A huge thank you to the PAC for supporting this learning opportunity.

Check out some of the free, fun, and meaningful puzzles [here](#).

Volleyball Fun

The volleyball season is well underway and Grade Sevens are committed to practising, developing their skills, and working cooperatively. Although our teams had a bye this week, Grade Seven athletes had the opportunity to play against one another after school. Thank you to teacher and parent coaches (M. Hugo, Mme Brigitte, Mme Leroux, Mme Grace H., and Mme Monica) for coordinating this opportunity! Thank you to parent-spectators for their support and encouragement! Go Hawks Go!

Absences and Punctuality

Our records indicate we are experiencing high levels of extended absences and tardiness (**not related to illness**). Studies show that school attendance is a major factor when it comes to school success and learner behavior. While it may only seem like 5 or 10 minutes late, or a few days tacked on to a school holiday won't matter, these missed days and lates directly impact your child's success, disrupt the learning environment for all children in the class, and have negative impacts on everyone's learning. Please [click here](#) to learn more.

For any **extended absences** that are *not avoidable*, please reach out directly to Mme Hayes at khayes@wvschools.ca.

Thank you for working with us to ensure your child is on time, present during regularly scheduled school days, and ready to be welcomed by our team with open arms!

Hallowe'en Fun

Cedardale Hawks are invited to wear costumes or other 'spooky season' attire on Tuesday, October 31st. Please save makeup, costume masks, and accessories for after school. Learners should be able to take their costume on and off on their own in order to go to the bathroom.

Please continue to avoid costumes that promote cultural stereotypes. If you're looking for information on *cultural appropriation vs. cultural appreciation*, click [here](#) for a CBC video; and for a great list of questions to ask about whether a costume is appropriate or not, click [here](#) to see information from UBC's Equity & Inclusion Office.

Your child(ren) may wish to bring a change of clothes for recess/afternoon. **Please DO NOT send any Halloween treats with your child.** We will have our annual Hallowe'en Parade on Tuesday morning after attendance. The parade will finish in the gym with an assembly hosted by Mme Mortlock's Grade 4/5 class. Learners are enthusiastically preparing for this celebration. Although space is limited, grown-ups are welcome to attend. **For privacy reasons, do not take any photos of video please!** Staff will share photos as permitted.
