

Le petit atelier à Cedardale

Dear Grade 1, 2, and 3 Families,

Divisions 7, 8, 9, 10 and 11 will be participating in an exciting visit from *Le petit atelier* on Friday February 9th, 2024.

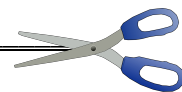

Le petit atelier provides a hands-on way to engage in French culture by learning about and making authentic French crêpes. As part of our Framework for Enhancing Student Learning goal of further developing sense of belonging and French Immersion identity, we are engaging in a variety of cultural experiences from French speaking communities. This workshop will be provided in French and will allow students an authentic and engaging way to practise their French and cooking skills! We are very grateful to Canadian Parents for French for contributing funding to this workshop!

The cost of this hands-on learning experience is \$5.00 and is payable by School Cash Online.

We look forward to this fun and exciting learning opportunity!

Sincerely,

Mme Stephanie, Mme Holm, Mme Julie, Mme Valerie & Mme Elena
École Cedardale's Grade 1, 2, 3 Team
