Fun Fete Donations

Are you in the middle of Spring Cleaning?!

The Fun Fete Organizing Committee is looking for donations of **new, unopened toys or other kids' items for prizes**. Please drop off any donations at the office. Merci!

Acti-jeux - Friday, June 14th

Friday, June 14th is Acti-jeux (Sports Day)! Join us for the '2024 CedardERAS TOUR!' We are looking for grown-up **volunteers** to help us run our stations. If you are able to help out, please contact your child's classroom teacher. No experience necessary and all supplies and games are already prepared.

Cedardale Wins The Reading Link Challenge!

Hawks win first place at WVML's Reading Link Challenge! Thanks to Mme Jo and Mme Morley for all of their support. This is the very first win for Cedardale!

Field Events

In addition to Track practices, we are very pleased to provide the opportunity for students in Grades 4 to 7 to participate in our Hawks Field practices during their physical and health education (PHE) periods with M. Hugo.

Qualifying **Field** Practices (From May 1 to May 14):

Due to the fact that we have a limited number of student entries per grade and event at the year-end meet, qualifying rounds will take place during PHE periods. The top 4 boys and the top 4 girls from each event (long jump and shot put) and each grade will be determined. In order to bring as many students as possible to the Field Meet, students will only be able to qualify for one field event. If you receive a permission form in the coming days, your child has qualified for one event at the District Field Meet (May 29 for Gr. 6/7 & May 30 for Gr. 4/5).

Band Registration 2024-2025 for Current Grade 5 and 6 Learners

Registration is now open for all current Grade 5 and 6 students interested in joining Cedardale Band this September 2024. Elementary Band is a district program that is offered in addition to regularly scheduled music classes during the school day. Band students attend rehearsals twice a week, and participate in sectionals, workshops, and performances at the school and in the community. With support from the district, we are committed to providing high quality band instruction.

Returning to Cedardale? Planning your summer holidays?

As we are currently accepting new registrations for the 2024-25 school year, we are trying to predict as closely as possible whether or not we have room for those new students interested in joining our school.

We understand that job transfers happen and relocations can occur without much notice however, please indicate to the best of your knowledge if your child will **not** be returning to us in September (and we certainly hope your family will be!). This will greatly assist us in knowing how many spaces are available.

If your child will **not** be returning to Cedardale for the 2024-2025 school year, please contact Mme Frezell at mfrezell@wvschools.ca.

Please note that if you are planning to return to Cedardale, learners are expected to be present (at school) by September 5, 2024 to guarantee their spot for the 2024-2025 school year.

We have openings for French Immersion learners in Grades 3-7 for the 2024-2025 school year!

Learners must already be in a French immersion school. Cedardale uniquely offers the International Baccalaureate Primary Years Programme in a French immersion environment. We strive for educational excellence and value and nurture the development of caring, active, and life-long learners. Be sure to tell your friends!

Playground Use Before/After School - NO FOUR-LEGGED FRIENDS PLEASE!

Please be reminded that the playground is used for instructional purposes between the hours of 8:40 am and 3:00 pm. As the weather improves classes will be busy playing ultimate frisbee, gardening, and learning in the outdoor classroom until 3:00 pm.

Priority use is also given to La Maison during after school care hours.

If your child wishes to play on the playground after 3:00 pm, please ensure that they are closely supervised. There is no supervision on the playground before or after school.

And although we absolutely love our furry friends, please be aware that per municipal bylaws and for hygiene reasons, dogs are not permitted on the school grounds.

Freezie Fridays are back! - Starting May 24th

The EC PAC is raising money to enhance the Cedardale playground space! The first Freezie Friday is next Friday, May 24th! Bring your toonie to your classroom teacher anytime before next Friday. Freezies will be distributed just before dismissal. Please bring exact change.

10 TIPS FOR PARENTING DIGITAL NATIVES

- Be Present and informed** - Be there to talk with your kids. Keep the lines of communication open. Know who they're with and what they are doing.
- Balance Screen Time and Green Time** - Build in times to be tech-free - get outside as a family and enjoy other activities!
- Walk the Talk** - Make sure you are modeling good digital behaviour. Your kids will take their cues from you.
- Join in** - Yes, you might not really want to learn how to play Minecraft or do a TikTok dance, but by joining in and learning with your child you keep the dialogue going!
- Family Plan** - Work with your children to develop a family technology plan. Let them have some input and they will be more likely to follow the plan!
- Technology Free** - Build in technology free times in your calendar and zones in your house. One great example is bedrooms - technology doesn't belong there.
- Be Specific** - Make sure you are specific about your family's rules and expectations. It is easier for everyone when the rules around tech use are clear.
- It Takes a Village** - Raising safe, savvy digital natives is hard work. Include people like aunts, uncles and trusted family friends in your child's social media circle.
- You Are The Parent** - Don't feel badly about limiting the wifi time or setting boundaries on technology use. That's part of being a parent.
- Be Age Appropriate** - Make sure your expectations and permissions match the age of your child. You wouldn't give a 5 year old a Snapchat account, but a 14 year old might be ready!
