Returning to Cedardale? Planning your summer holidays?

As we are currently accepting new registrations for the 2024-25 school year, we are trying to predict as closely as possible whether or not we have room for those new students interested in joining our school.

We understand that job transfers happen and relocations can occur without much notice however, please indicate to the best of your knowledge if your child will **not** be returning to us in September (and we certainly hope your family will be!). This will greatly assist us in knowing how many spaces are available.

If your child will **not** be returning to Cedardale for the 2024-2025 school year, please contact Mme Frezell at mfrezell@wvschools.ca.

Please note that if you are planning to return to Cedardale, learners are expected to be present (at school) by September 5, 2024 to guarantee their spot for the 2024-2025 school year.

We have openings for French Immersion learners in Grades 3-7 for the 2024-2025 school year!

Learners must already be in a French immersion school. Cedardale uniquely offers the International Baccalaureate Primary Years Programme in a French immersion environment. We strive for educational excellence and value and nurture the development of caring, active, and life-long learners. Be sure to tell your friends!
