Remembrance Day

Lest we forget.
REMEMBRANCE DAY

We invite cadets, scouts, guides, etc. to wear their uniforms on Friday, November 8th for our Remembrance Day Ceremony. This special event will honor the bravery and sacrifices of those who served our country. If you wish you join us, please r.s.v.p. to Mme Hayes at khayes@wvschools.ca as space is limited.

Students will participate in meaningful activities, share reflections, and pay tribute to honor the bravery and sacrifices of our veterans and active service members who have fought for our freedom..

It's a wonderful opportunity to come together as a community to remember and reflect.

The Royal Canadian Legion, in partnership with schools across the country and with The Legion National Foundation, promote remembrance and support youth education through the annual poster and literary contests. Students in Grades 1 through 12 are invited to [submit their creative works](#), with a focus on Remembrance, through their local school to be entered into Legion Branch contests. Winning entries move forward to the Legion's Provincial level contests. Finalists are then forwarded to the Legion National Foundation in Ottawa to be judged at the national level.

Lest we forget.

Winter Craft Fest - Fête de l'Artisanat d'Hiver - APPLICATION FORM

We're thrilled to announce this year's Winter Craft Fest, happening on December 10th and 12th, coinciding with our winter concerts! Students from Kindergarten through Grade 7 are invited to apply to participate as vendors, giving them a unique opportunity to learn about creating, pricing, and selling handmade items.

Event Details:

- **Date & Time:** December 10th and 12th, before and after the winter concerts.
- **Application Deadline:** November 13th, 2024. Applications can be submitted to the office (see the attached form for details).
- **Approval Process:** A selected list of approved vendors will be published on November 15th.
- **Sample Submission:** Approved vendors must submit a sample of their craft by November 29th for a review process.

This is a fantastic way for learners to share their creativity and craftsmanship with our community. Additionally, crafters will keep 50% of their sales, with the remaining 50% going toward a nonprofit of their choice from options like Backpack Buddies, Ocean Ambassadors, or The Christmas Bureau.

We look forward to seeing our talented young artisans in action!

Parent/Caregiver Survey

We want your feedback! In partnership with the PAC, we are looking for your input so that we can co-create school goals, help build community and culture, and understand more how we can all work together to make this year fantastic! Please complete [this](#) parent/caregiver survey or use the attached qr code.

Extra Clothing Reminder

As we experience more rainy weather, we have seen an increase of "natural consequences" to outdoor play. Please ensure/consider having a **change of clothes for your child** to be kept at school in the event of a muddy mishap or other accidents – it is certainly much easier to learn when you are comfortable and dry. Please include not only a change of clothes but also extra socks and appropriate rain footwear, such as boots.

Thank you for your support in ensuring your child is prepared for the elements!

Traffic and Safety Reminders

Please be reminded that **student safety is our priority** during drop-off and pick-up at Cedardale.

- **Please do not pull a U-TURN in the roundabout**
- Please drive with patience and care.
- Please continue to model safe and respectful behaviour with staff, neighbours, other parents/caregivers, etc.
- Please **do not park on Burley Drive** if you are early for students' dismissal time at 3:00pm. It disrupts the flow of traffic for the earlier dismissal time and blocks the traffic.
- Please consider parking on Margaree, Inglewood, or a few blocks away and walk to pick up your child in order to reduce traffic congestion.
- Please come to school at your child's dismissal time. We cannot accommodate cars in the roundabout or in the parking lot.

Thank you for your attention to the safety of all of our children. Your continued care contributes to our respectful and supportive Cedardale community.

Playground Use Before and After School

We love to see Cedardale hawks engaging in safe play on the playground after school. The school grounds and playground are instructional spaces until 3:00pm. After 3:00pm, there is no supervision. Parents/caregivers are asked to actively supervise their own children. As per bylaw #3110, no dogs are permitted on the playground.

SCHOOL EDITION

What is it? Typing Pal School Edition is a web-based application that encourages keyboarding practice for students, from beginner to intermediate. We are making this available to all students from Kindergarten to Grade 9.

Students should go to the unique url for their school: [Typing Pal](#) and choose "Log in with Google." If students have more than one Google account, they will be asked to choose their account - they should choose the school one.

When students first log in they are prompted to take a diagnostic type of test that will give the program an idea of where to start them.

From there, the program will cater to each student's speed/ability.

Happy typing!

Hawks Athletics

Grade 7 Volleyball Game #2

The Grade 7 Boys and Girls Volleyball teams had excellent second games last Tuesday. Their enthusiasm, teamwork and sportsmanship continue as they thrive on the court. Great job HAWKS!

Community Connections

We are changing how we share community news and events. Starting now, individual "Community Connections" will no longer be included in our school bulletins. Instead, all local programs, events, and resources will be found in one convenient location, accessible through a [single link](#) that we'll update and share with you each week.

All school-specific information will continue to be featured in our regular ebulletin.
