Parents/Guardians/Caregivers of Grade 4 and 7 students can complete the online Anonymous Student Learning Surveys any time before 11:59 pm May 2nd, 2025, providing immediate results to the school and the district.

Grade 4 and 7 parents should expect a paper copy of instructions in their child's agenda tomorrow, January 10th, 2025.

Personal Digital Device Expectations for the New Year

As we begin a new term, we'd like to remind students and families of our Personal Digital Device (PDD) expectations, which have been key to fostering focused and engaging learning environments.

Students are expected to use personal digital devices only with the explicit permission of a teacher or administrator, ensuring their use is intentional and supports learning.

Families can continue to support this by:

- Encouraging balanced screen time at home.
- Avoiding calls or texts to students during school hours.
- Modeling mindful device use when on school property and at home.

Let's keep building on the success of this initiative and continue supporting safe, focused learning for all!

West Vancouver Schools Registration

K-12 registration for both in-district and out-of-district students opens on January 15! If you have students in your family or network who are looking to join our district, please help spread the word about this important date.

West Vancouver Schools offer a wonderful opportunity to be part of a community that values excellence in education. Our schools take pride in creating meaningful learning experiences and providing opportunities that support the growth, well-being, and success of every student.
