We're excited to share that the [West Vancouver Memorial Library](#) now offers access to a new French language educational database from Quebec called “Alec, the Odyssey of Knowledge”. Alec is an educational game for learning French and math in unique and immersive worlds. It's suitable for children aged 4-11. Families can explore the platform [here](#).

The Card Project – Coordinator Needed

We are looking for a parent volunteer to take over The Card Project, a much-loved annual fundraiser that typically raises around \$1500 each year for our school. The time commitment is approximately 8-10 hours spread over a few months (December to April) and mainly involves email coordination with The Card Project owner and the school plus a one-time student artwork drop-off in February.

Our current coordinator has kindly agreed to stay on during their final year at PJ to support the transition with the new coordinator. If you are interested or would like to learn more, please email: chair@ecolepipac.com.

Pitch in or Chip In – Get Involved!

There's still time to support PAC initiatives this year, if you haven't already. Every family can contribute in two ways:

1. Pitch In – Volunteer 10 hours during the school year. [Choose a volunteer slot here](#).
2. Chip In – Prefer to contribute financially instead? Donate \$100 per family to help fund the many programs and extras our PAC provides. Log in to www.munchalunch.com, and select “Donate Now!” from the top menu.

Every hour and every dollar directly supports our kids – from community events to classroom enhancements. Choose the option that works best for your family and let's make this school year amazing!
