

Sentinel Multicultural Lunch

Wednesday, March 6th

SIGN UP NOW!

On **Wednesday, March 6th** the Sentinel PAC will host the Multicultural Lunch. The MCL is the most impactful PAC sponsored event as it is the most significant fundraising event of the year. Additionally, this is an opportunity to build community and celebrate the diversity of our school. To ensure success, we need you and your kind generosity to donate, serve and feed **1200+ students and honored school board members.**

The money raised from the MCL is used to support the school wish list, student scholarships and other non-curricular school initiatives. Last year the PAC awarded \$10,500.00 in student scholarships and \$30,000.00 to enhance academic, athletics, and artistic pursuits such as assisted learning devices, art supplies, and other school sanctioned activities. This year the Wishlist committee allocated funds for computers, iPad, 3D printers, lit circle novels, and many other teacher requests.

To assist with the planning, we are using PERFECT POTLUCK **electronic sign-up**. To sign up just click on the link (or links) below, and enter your contact information and dish you will provide. The Table coordinator will contact you with further instructions. If there is no assigned Table Coordinator for the table you are interested in, please consider serving in this capacity. Remember, it is you, the parent volunteers, who make this event a success!

If you are unable to volunteer, we greatly appreciate cash / cheque donations (**payable to "Sentinel PAC"**). Donations will offset our expenses (tickets, plates, cutlery...) and help Table Coordinators purchase food items for designated tables. All donations should go to the Sentinel office in an envelope with your name (optional) and the table you wish to support. We thank you in advance for your kind generosity.
