### **4. Sentinel's Counselling Department**

- **Navigating the Scholarship Process and Maximize Your Scholarship Potential:** Students do not need 95% averages or international achievements to win scholarships. Join Brittany Palmer of Unlock your Future on **Tuesday, Nov. 1 at 6:00PM** virtually as she debunks common scholarship myths and breaks down the complex process into a manageable form. From building your foundation to finding scholarships, this seminar outlines a step-by-step program that will help you maximize your potential. Using this program, Brittany and her younger brother collectively won 35 scholarships totalling over \$125,000. Having navigated scholarships as a student, consultant and administrator, Brittany offers a unique perspective and strategic approach to an often-overwhelming process.

Please note this session will not be recorded and will only be offered once this year.
