

Name of Club	Focus of Club	Teacher Sponsor	Meeting Day/Location	GC Code to Join	
<b>Aerial Photography Club</b>	Teaching kids how to pilot drones and learning how to take professional photography with it.	Mr. Anderson	Field/Foyer - weather dependent	3qdxpbb	
<b>Architecture Club</b>	The Architecture club is a place where you can elaborate your inner creativity from any form of art to architecture. You can be expected to learn the basic elements of architecture from its history to model making. It's for those who view art as a way to communicate or simply want to make new friends and have a relaxing time.	Ms. Hambly	Mondays at lunch. Room 151	ik5tjf5	
<b>Arts and Action Club - NEW</b>	The focus of this club is to advocate love, mentorship, and activism through art and conversation, to develop safe and engaging creative spaces to inspire and connect our local community, and to establish a platform within the school for students who express themselves through art and active communication.	Ms. Hambly	Wednesdays at lunch. Room 151	vszlkoy	
<b>Astronomy Club</b>	The Sentinel Astronomy Club is a place for space lovers alike! Our meetings will be either info sessions/guest speakers during lunch, or observing space with our telescope before/after school. We hope you can learn something new with us!	Mr. Gibson	Thursdays at lunch and some early mornings. Room 355.	c7gxp5f	
<b>Aviation Enthusiasts Club - NEW</b>	The aviation club is a dynamic and educational community dedicated to exploring the fascinating world of aviation. Through engaging discussions and hands-on experiences, members dive into aviation physics, uncover the rich history of flight, and develop keen skills in aircraft identification. Additionally, they embark on exciting planespotting adventures, sharpening their aviation photography talents while capturing the beauty of aircraft in action.	M. Mirmiran	Fridays at lunch. Room 351	ohw3n4j	
<b>Best Buddies</b>	Best Buddies is a North American friendship program. Through fun activities such as bake sales, hot dog days, crafts and playing games the group makes long-lasting friendships. The group organizes fundraising activities to raise money for field trips and school equipment. Volunteer hours and scholarship opportunities are available.	Ms. Chappell	Wednesdays at lunch. Room 259.	f7adlqa	
<b>Book Club - RE-ESTABLISHED</b>	We are a club where you can meet new people with similar interests! You'll have the opportunity to read leisurely as well as analyze and discuss many forms of literature. Everyone is welcome here.	Mr. Obeck	Wednesdays at lunch. Room 209	qwzgjcr	
<b>Boys' Club</b>	To help the younger students find their passion in life and mentor them on how to get to that goal	Mr. McGowan	Thursdays at lunch. Room 203	652ibdk	
<b>Cancer Awareness Club -NEW</b>	The goal of the Cancer Awareness Club is to spread awareness, raise money for BC Cancer, and to build a community of connected people.	Ms. Curtin	Thursdays at lunch. Room 357.	k322oz4	
<b>Car Club</b>	The Sentinel Car Club is dedicated to teaching its members essential automotive skills and knowledge. The club educates car enthusiasts on basic car mechanics, helping them learn fundamental concepts of engine maintenance, brake repairs, tire changes, and more. In addition to technical expertise, the Car Club also teaches financing around the world of automobiles, teaching members how to budget for car ownership, make wise purchasing decisions, and save on maintenance costs. Safety is paramount, with safe driving practices and safe driving techniques being core components of their curriculum. Car Club equips members with the tools they need to become confident and responsible car owners.	Mr. Neufeld	Fridays at lunch. Room 258.	4nld74g	

Name of Club	Focus of Club	Teacher Sponsor	Meeting Day/Location	GC Code to Join	
<b>Children's Corner Club - NEW</b>	We are a new club focused on volunteering at elementary schools to introduce young students to activities in the STEM and LIT fields. I.e: reading storybooks, building their own stories, performing little labs, etc. Children's Corner offers high school students the opportunity to interact with children, simplify and teach what they have mastered, all while gaining volunteer hours. This will look great on your resume no matter what major you are interested in!	Mr. McGowan	Mondays at lunch. Room 203.	6qiqlmi	
<b>Chinatown Engagement Society (Explore Chinatown) - NEW</b>	The main purpose of this club is preservation and education. We aim to embrace the rich, decade-long tradition that Vancouver's Chinatown embodies. We recognize the importance of safeguarding the cultural heritage, historical significance, and unique character of this iconic district for generations to come. Chinatown Engagement Society is passionate about bridging the gap between the past and the present and introducing a new generation of Sentinel students to the treasures of Chinatown. By doing so, we hope to foster an appreciation and understanding of Chinatown's invaluable contributions to Vancouver's identity and connect our students with the living history right in their backyards.	Mr. Huh	Wednesdays at lunch. Room 206.	akg44sv	
<b>Chinese Culture Club</b>	This club has three goals: putting on the Chinese New Year event, fundraising, and exploring a cultural identity crisis.	Mr. Liu	Thursdays at lunch. Room 203.	mk2q7w5	
<b>Civic Writers</b>	We are a club that aims to promote social responsibility and awareness amongst teens. We host monthly article submissions with prizes on set topics that reflect certain real world events; the winning submissions are also published on our website at <a href="http://civicwriter.ca">civicwriter.ca</a> .	Mr. Johnson	Fridays at lunch, starting October 13, 2023. Room 260.	lzbx5hy	
<b>Comité d'immersion Française</b>	The French Immersion Committee of Sentinel is dedicated to organizing events, field trips, performances, workshops, and mentorship opportunities for the French Immersion community at large; creating a platform to advocate for French Immersion students and encouraging continued interest in the program; and connecting with local francophone organizations and French Immersion elementary schools to benefit more students with our programs and activities.	Mme. Lleres & Mme. Pla	Friday at lunch. Room 306.	hgbpezc	
<b>Computer Club</b>	Our club is centered around real-world technology experience gained through competition and project-based learning. Members will primarily learn through self-taught learning and practice projects. We will then assemble projects as teams, or individuals. Our goal is to form a community of social, and well-versed computer enthusiasts at Sentinel.	Mr. Neufeld	Day 2 lunches. Room 258.	czsvapf	
<b>Computer Technology Exchange Club</b>	The focus of this club is to communicate computer related problems with each other, improve each other's computer skill and find our own interest in computer science! Including but not limited to: java, photoshop, video game technology, guide to use steam, Web Accelerator, deep study of CS2 market, creating a game server and more!	Mr. Gibson	Tuesdays and Fridays at lunch. Room 355.	d3fibvy	
<b>Creative Writing Club - NEW</b>	The Creative Writing club is a friendly and non-judgemental space to write and share with like-minded students. Not only can we provide this environment but also provide advice and tools to help boost and organize your writing, as well as provide news and updates on public/local contests and events.	Mr. McLean	Tuesdays at lunch. Portable 1.	sfbc6kk
