

# Sentinel Multicultural Lunch (MCL)

Thursday, March 7, 2024

(Grade 8 to 12 parents)

**PLEASE**  
**SIGN UP NOW!**

Dear Sentinel Parents and Guardians,

We are 3 weeks away from our biggest and most famous Sentinel fundraiser and we still need many more food donations and volunteers! We need to provide enough food for 1200+ students, staff, and special guests. We are far from the goal. At this time, we still need a great deal more **food and monetary donations for all tables; Sushi, Pizzas, Salads, Baked Goods, and Drinks.**

**We also need Table Coordinators for Japan, India, Mexico, and Mediterranean Tables, and Servers (see below) and volunteers to sell tickets** at the school from March 4 to March 7.

If you own a restaurant and provide food donations to MCL, in return for your generous contribution, your business will be thanked as a sponsor and your brochures and flyers will display at our MCL table.

- **Table coordinators** – help recruit and organize parents to help with meal preparation, and monetary or meal donations. Food can be home prepared, or restaurant-purchased.
- **Servers** for all tables - Assist table coordinators by donating a dish and help to serve the food on the day of the event (2 hours on March 7th).
- **Food and monetary donations** for all tables please click on the links below. All food donations should arrive on the day of the lunch as outlined by the table coordinators.
- **Set-up/clean-up**

**Monetary Donations** are greatly appreciated. Please send via e-transfer to SentinelPAC@gmail.com or cash/cheque donations (payable to **Sentinel PAC**) and delivered to the Sentinel office in an envelope with your name and which table you wish to support (if you choose).

**Thank you to all who have  
already signed up and who have  
sent in your monetary donations.  
PAC greatly appreciates your  
support and help!!!**

To sign-up, just click on the link (or links) below, and enter your contact information and what, and how much, you will provide.

- Please select the link to sign-up for the Table Coordinator, a table helper or donate a dish ([click here](#))
