Sentinel Music Calendar

We have numerous celebratory showcase concerts for all music students coming up this May and June! The Sounds of Spring concert also features guest orchestras from West Vancouver Secondary School, Handsworth Secondary, as well as the West Vancouver Youth Band Symphonic Strings in this collaboration of classical music on the North Shore. The West Vancouver Community Cultural Festival is a multi-day festival showcasing food, activities and entertainment this weekend. Our Year-End Concert at Sentinel is not to be missed and we wrap up the performance season with our Jazz Café, Vol. 3 with our small ensembles. Should you have any questions about any of the performances please contact Mr. Virag at zvirag@sd45.bc.ca. We look forward to seeing you there!
