World Partnership Walk Club - NEW	The World Partnership Walk is Canada’s largest movement dedicated to fighting global poverty. Every year during spring, people all across Canada come together to raise funds that help development projects in countries across Africa and Asia. The funds are put into projects such as improving healthcare, education, food security, and help ensure that these countries have a better future ahead of them. The walk first started in 1985 in Vancouver by a small group of women from the Ismaili community who wanted to start an initiative to help poverty around the world. Over time it has grown into this national movement held in many cities across Canada and it has raised over \$150 million dollars for these projects In Africa and Asia. Our very own school can help contribute to so many people in Africa and Asia having a better future through our club where we will be selling different foods that students and teachers love to help raise money and also educate students about the walk and its impact so we can all work together to help this amazing cause.
