### **Gleneagles Advisory Community Committee – Report by Wendy Human**

- At most recent NSEM presentation there was discussion about the Community Centre being the hub for an emergency
- Rec centre (or community centre?) has a generator and emergency supplies
- Feb 21st there will be an information meeting on Emergency Management -speak to Wendy if you would like to attend
- Spirit Fest West will take place again on May 5<sup>th</sup> this year. GECE will participate again. Wendy will get further information nearer the time
- Mar 2nd - Gleneagles Clubhouse - parent party; child care organized 6:30 - 11:00; \$15 per kid; have hired a Mexican duo and DJ. The party will be wrapped up by 11:00; there will be light bites (Pastamelli), Whittall photo booth, and a cash bar! Information to register for childcare has been circulated in e-bulletins.

### **Principles Report – Aron Campbell**

See addendum with full presentation by Mr. Campbell

- Future cities project – grade 6/7 students this was a long term project done by grade 6/7s classes. Stella Mattern presented her project, which she completed with her group and answered PAC questions about the project. Mr. Campbell shared some photos of other projects. The students worked hard to design the city and There will be a showcase of best entries chosen from each school.
- Volleyball team has started for grade 7s.
- Tennis session was good; there has been lots of research about benefits of tennis. Great instructor who was committed to the kids. There will be more info about Tennis BC and opportunities coming in the Gleneagles E Bulletin.
- Zen Maker Labs started this week; 5 Wednesday; each class will have at least 3 sessions. This is an “In-School Maker Applied Design and Technology Program”
- Question about device curriculum – there is no curriculum for Devices; for now they are an educational tool.
- Conflict Protocol language has been developed so there is a common language on how to deal with conflict (Aron Campbell presented a poster with that language).
- Roots of Empathy Program - there have been visits by Megan's baby (Olive) which are helping the children with learning empathy.

### **Treasurer's Report: Alexa Bodel**

Alexa went over the budget items. Since the last meeting there have been no major revenue items and the main expenses have been ongoing hot-lunch related expenses (see attached budget).

### **DPAC Report – Lisa Fairburn.**

- The last DPAC meeting was a seminar for existing PACs attended by Brenda, Lisa, Aron and Kelly; multiple schools presented

See addendum - DPAC meeting minutes separate PDF document

### **Headlice – Christine Mattern**

Christine gave a further discussion about headlice prevention and treatment as a follow-up to the great information we got at the December meeting. See Christine's light and informative presentation.  
See addendum.

### **Next PAC meeting**

February 27<sup>th</sup>, 6:30 pm

### **Addendum**

- DPAC meeting minutes – see separate PDF document
- Headlice presentation
