Wednesday, January 13th 6:30pm via Zoom

**\*\*\*See next page for Fundraising details\*\*\***

## **Fundraising Opportunities available to GEC Parents:**

The following is a list of opportunities that the PAC has organized and would like to share with you. A portion of all proceeds will be donated to the GEC PAC; the percentage is different with each vendor.

**Indigo** - please consider buying an Indigo eGift card from our Indigo fundraising [link](#); it will raise 15% for our PAC. You can also shop through the link and GEC PAC will receive between 2.5% and 5% of your purchases.

**Gift Cards (Fundscrip)** - if you missed out on our group gift card order, we will leave this [link](#) open all year so that you can purchase gift cards at any time and have them shipped directly to you or a friend.

**Well Fed** – please consider buying your Well Fed meals through our [link](#); 15% of your purchase will go to GEC PAC.

**Infrared Forehead Thermometer** – a parent at our school has given us the opportunity to purchase these through their medical supply company; “these are more expensive than some of the ones you can find online, but they are really nice.” We have marked them up by \$10 and added them to [munchalunch.com](http://munchalunch.com).

KS  
KEIRSURGICAL  
SURGICAL INSTRUMENTS  
DESIGN INSTRUMENTS FROM LA, US
