

HPAC
Meeting
Tues Sept
21st

The word "AGENDA" is written in a playful, bubbly font where each letter is contained within a colorful speech bubble. The letters are: A (blue), G (orange), E (green), N (pink), D (blue), and A (orange). The speech bubbles are arranged in a slightly overlapping, diagonal line from top-left to bottom-right. The entire graphic is set against a white rectangular background that is tilted to match the diagonal of the letters.
