PHYSICAL LITERACY RESOURCES

In West Vancouver Schools, the physical health and well-being of our students is a top priority. Our work in physical literacy is important for building the foundation required for students to participate confidently in athletic activities. Below are two articles that may be of interest to you.

WVS 2024-2025 PREMIER ACADEMIES	<p>The 2024-2025 Premier Academies are open for registration! Please visit https://westvancouver.schools.ca/programs/ for further information.</p> <p>Premier Academies: Badminton, Baseball, Basketball, Fencing, Field Hockey, Rugby, Soccer, Tennis, Volleyball</p>
PURDY's FUNDRAISER COMING SOON	<p>Hollyburn's Easter Purdys chocolate fundraiser is coming soon!</p> <p>Please support our school by purchasing delicious Purdys treats with delivery just in time for Easter. Look for information coming home next week!</p> 
2024-2025 SCHOOL YEAR INTENTION FORMS	<p>At this time of the year it is customary for us to ask you, our parent group, for your input as we begin to plan for the next school year. It is important that we have accurate information about the families who will be attending Hollyburn as staffing and configurations are based on the number of students attending next year. The intention form is being sent home with your child and can also be accessed HERE. Please complete one section for each child in your family. Students in Grade 7, transferring to Grade 8, do not need to be included in this form. Please complete and return the form as soon as possible.</p>
SKWXWU7MESH LANGUAGE LESSONS	 <p>In the coming months, all of our classes at Hollyburn will be learning Skwxwu7mesh Language Lessons with K'etximt'n (Mr. Alroy Baker). K'etximt'n is a Skwxwu7mesh elder, weaver, language holder, and knowledge keeper. We are so lucky to have him as part of our Hollyburn community and he will be running weekly sessions with classes from January until June.</p>
TIPS FROM OUR LIBRARIAN	<p>Hollyburn Elementary School Library Catalogue - available to browse online!</p> <p>All of our books are available to view online. Type a search term, such as author or title, into the Find bar to see if it is available, and where it is located (sublocation). Words need to be typed correctly, so if your book title doesn't seem to find anything, check the spelling. For instance Dog</p> 

	<p>Man is two words, and we have 21 titles available. If you type DogMan you will not see any books.</p> <p>Students, write down the names of any books you would like to check out during your next library visit! Parents, we have young adult and adult books available for you to sign out. Send Ms Gratton an email if you wish to do this, and we can sign a book out to you under your child's account. (dgratton@wvschools.ca)</p> <p>Follow this link to see the many resource Collections in our library! These Collections are organized by theme and updated annually. They show the diverse collection of books we have on our shelves. Hollyburn Collections are denoted by the husky icon, but Collections at other schools in our district are visible too. They are in the second row, denoted by other animal icons. In many cases, books from one school are also available at another. *Public Collections are created by other schools across North America and although visible to everyone, not necessarily endorsed by West Vancouver Schools.</p> <p>Note: The link to our library is also available through our school district website https://westvancouver.schools.ca. Click on Resources/Library Resources to find the West Vancouver School Libraries and select Hollyburn Library. Once in our library page, you can use the Catalogue search bar, or click Destiny Discover, to get a view of the new/popular books and see the Collections. If you have any questions or comments, please email Ms. Gratton.</p>
<p>NORTH SHORE HARVEST PROJECT FOOD DRIVE</p>	<p>Our school is organizing a Food Drive for the North Shore Harvest Project, and we need your help!</p> <p>Do you have an abundance of canned or boxed food left in your cupboards after the holiday season? Please consider putting it aside and sending it to Hollyburn School in early February, when we host our Food Drive.</p> <p>Do you know that food banks across BC have been very busy the last few years, including an increase in the number of families across the North Shore accessing food banks? The North Harvest has been operating for over 30 years. Their motto is 'a Hand Up, not a Hand Out' and they are committed to offering Hope, Dignity, Compassion, Respect, and Accountability to the families and individuals that access the Harvest's food shelves.</p> <p>Consider doing a little extra shopping for the North Shore Harvest over the next few weeks, and donating it the first or second week of February. Together, our school can show how much we care for the people in our community who are struggling this winter.</p> <p>Thank you to Ms. Gratton for organizing this activity.</p>

WV DISTRICT FOOD SECURITY PLAN	<p>As part of the Ministry of Education and Childcare Feeding Futures Initiative, the West Vancouver School District has established a food security structure to confidentially assist students and families.</p> <p>The West Vancouver School District Food Security Plan will help students and families by providing confidential financial support for families facing food insecurity. Families are encouraged to reach out directly to the school principal (jduncan@wvschools.ca) if support is needed with food-related costs. Please be assured that all requests will be addressed with sensitivity, respect and confidentiality.</p>
