LACROSSE

For all of our students K-7  
February 24- 27

We are so excited to welcome Fusion West to Hollyburn this week. Our students will get to experience a century's old sport with deep Indigenous roots taught by professionals.

What is Lacrosse you might ask?

Lacrosse is a team sport played with a lacrosse stick and a lacrosse ball. It is the oldest organized sport in North America, with its origins with the indigenous people of North America as early as the 12th century. Players use the head of the lacrosse stick to carry, pass, catch, and shoot the ball into the goal.
