

Hollyburn This Week

Highlights, Happenings, and What's Ahead

Happy Friday Husky Families!

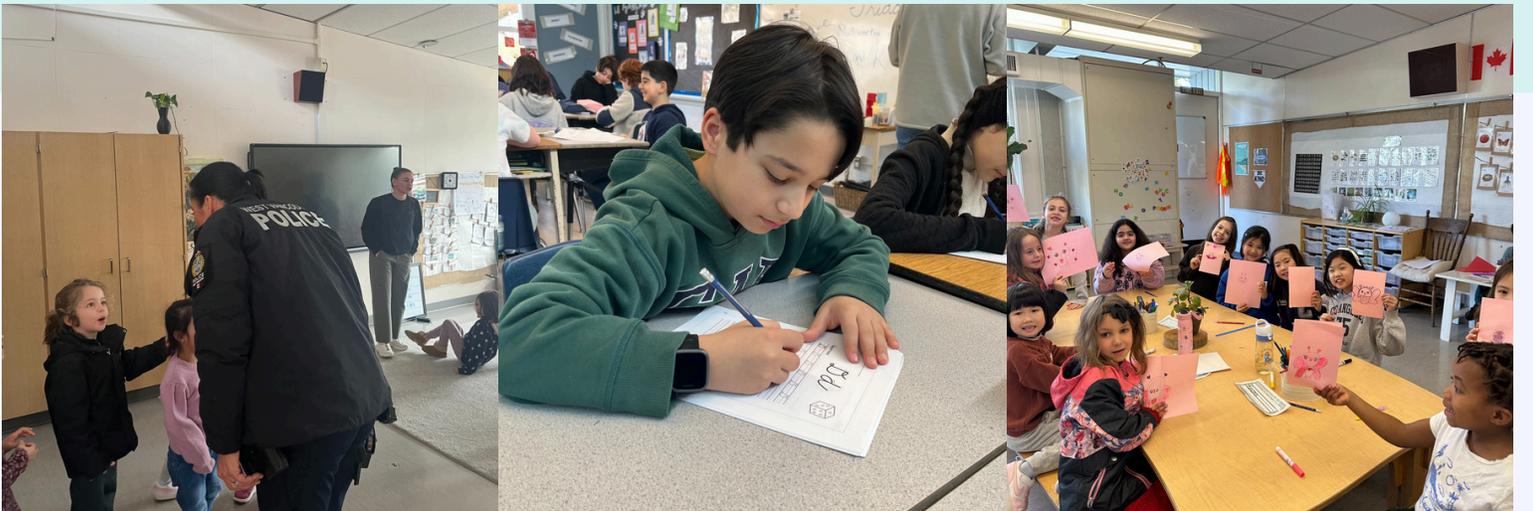

We had another busy and productive week here at Hollyburn.

Students were engaged in learning and exciting events across the school. Highlights included Kindergarten vision screening, field trips, and a highly successful lockdown drill completed in partnership with West Vancouver Police. Our Grade 7 students also participated in a presentation from West Vancouver Secondary, supporting their transition planning. Today, we were excited to celebrate the opening of our Winter Olympics. Students also continued to engage in meaningful learning to celebrate Black History Month.

Across classrooms, students are working hard to stay focused, set achievable and measurable goals, and continue growing as positive members of our Husky community.

Thank you for your continued support and partnership.

With gratitude, Principal Lloyd

HOLLYBURN HIGHLIGHT

Divisions 7, 8, and 9 enjoyed a very successful field trip to FlyOver Canada in downtown Vancouver.

Students experienced an immersive journey across Canada's landscapes, deepening learning connected to Social Studies and Science in Grades 2 and 3. The experience supported understanding of place, geography, environment, and how people connect to the land, while also building rich vocabulary and background knowledge.

A highlight of the day was travelling by public transit from Hollyburn to downtown and back. Students demonstrated responsibility, cooperation, and independence while navigating the bus system together.

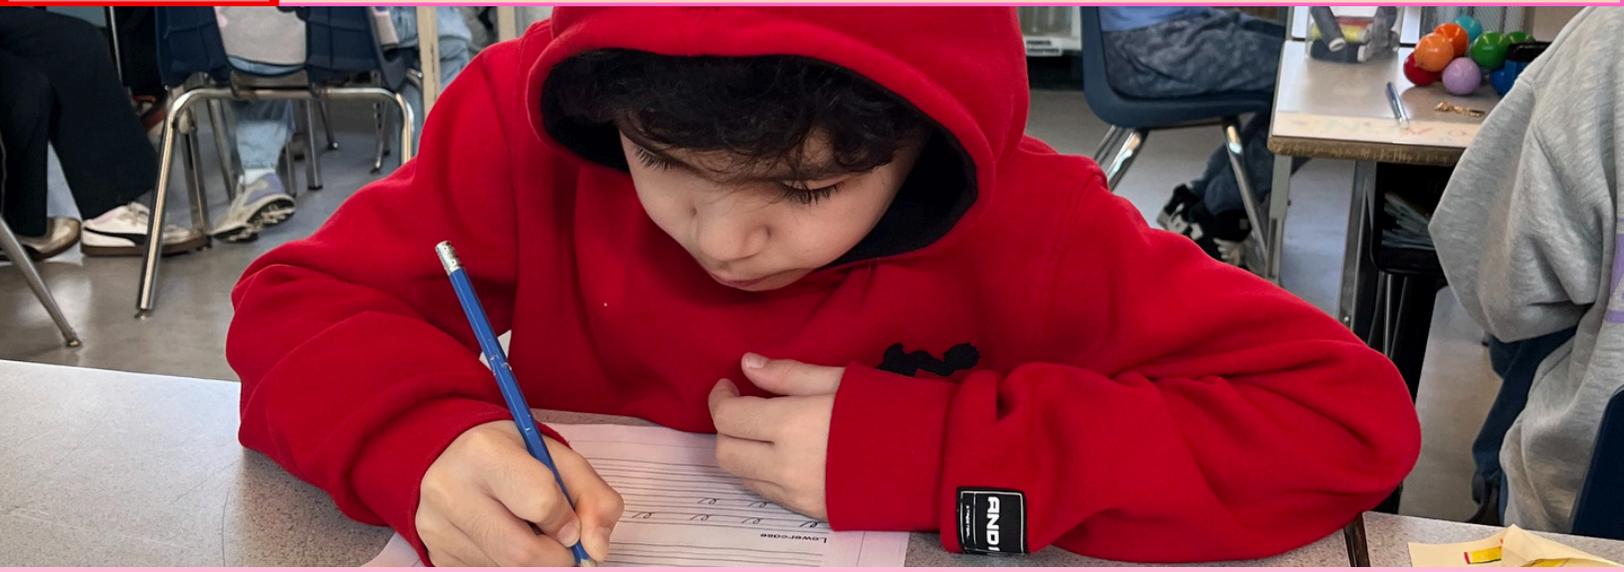

Thank you to our parent volunteers for making this trip possible. Your support ensured a smooth, safe, and meaningful learning experience for all.
