

## Room Maintenance/ Storage Fee Record

This document is to support you in keeping a record of Summer Maintenance/Storage Fees being paid to your homestay. Since you will be paying your homestay directly in July and August, please have your homestay sign each time after they have received the Summer Maintenance/Storage Fee.

The payment of the Summer Maintenance/Storage fees must be discussed and agreed on prior to potential summer travel.

**Storage fee** = All personal belongings are packed away and stored in a separate location in the house other than your bedroom.

**Maintenance fee** = Belongings are left in your room as normal.
