What is Seamless Day?

Seamless Day is a unique child care program that provides licensed after school care for students in Kindergarten. Located in an early learning classroom, students stay with familiar educators/caregivers in a consistent, caring, play-based environment for after school care.

Price

\$ 400 per month

This is the official published rate for afterschool care for the 2025-2026 school year. We are grateful to participate in the Province of BC's 'Child Care Fee Reduction Initiative' (CCFRI) which lowers the monthly fees for families. We will inform families of the actual fee to be paid each month in advance. CCFRI will be calculated regularly so that families benefit from the reduction. Families are informed of any changes to rates as needed. Registration is for the full school year (10 equal monthly payments) and the program follows the school district calendar.

Schedule

After School Care
2:50 pm to 5:30 pm

- Transition from the school day to after school care (includes any early dismissal days)
- Indoor and Outdoor activities
- Time for an afternoon snack (provided by parents/caregivers)
- Pick up at family convenience by 5:30 pm
