A Message from Ms. Mendes...

Dear Parents,

We are grateful to our parents who have trusted us to keep your children safe and healthy as we have implemented in person instruction. It has been wonderful to have the school and playground filled with the sounds of laughter and the excitement of the young voices again. We have been very impressed with our students who have been so accepting of the new health and safety protocols. Students have been so cooperative about social distancing and proper health and hygiene protocols. There have been many shifts and changes to our routines and physical space and the children have all followed the new transitions with ease and calmness. This is thanks to our parents for preparing your children and for bringing up children who are very thoughtful and resilient. We thank you parents!

Sincerely,
Natalie Mendes
Vice Principal/Primary Teacher
Lions Bay School

***Please note** There is no need for parents to contact the school office if your child is

continuing with their current schedule; this includes ESW Students. Students will continue with this schedule for the remainder of June.

Any families who wish to **ADD** or **WITHDRAW** their child(ren) to/from our schedule of in-person learning at Lions Bay are required to **CONTACT THE OFFICE** by Wednesday at 12:00 noon to make a change for the following week.

On school mornings grade 2's will be lining up at the main entrance door and the grade 3's will line up outside Ms. Southam's classroom door. Students names are taped on the ground and there will be a sign indicating which door your child is to enter from.

Jeans day!

WV Memorial Library Summer Reading Club

It would not be summer without the Summer Reading Club... and this year, it's going virtual! The theme this year is: *Explore the Universe* and the big idea is the same, read for 15 minutes each day for 50 days over the summer. On Monday, June 15th, the West Vancouver Memorial Library will launch their SRC website (wvml.ca/src2020), with information on how to register and how this year's SRC will work. And for those of you wondering... the trophies will still be awarded this year, based on school size and participation ratios! Remember, the website will go live and registration will begin on June 15th!
