Dear Parents,

We were so happy to welcome back our Grades 1 to 3 students and our new families to the school. It was such a calm and peaceful transition with the students coming back so refreshed and ready to learn and connect with staff and peers.

Our PAC welcome tea hosted by the PAC executive was a huge success. Thanks to the PAC executive for hosting the event. There was a large turnout, and it was a fantastic time for parents to connect and find ways to be involved with the school. We were so happy to have our new Principal Mrs. Robyn Evans here to meet the parents in the lovely outdoor courtyard.

Sincerely,

Natalie Mendes

Vice Principal- Lions Bay School

Thank you to the PAC for the Lions Bay spirit wear.

Optional Accident Insurance for Families

Each year the school district reminds families that they have the option to purchase insurance coverage against accidental injury, unexpected medical expenses, and critical illness. One option is *The Family Accident Reimbursement Plan (FARP) provided by Industrial Alliance*. This voluntary plan provides coverage for students and their families against accidental injury, unexpected medical expenses, and critical illness. As always, families are encouraged to do their due diligence when choosing a provider. Learn more here:

Health & Safety Reminders

- Please note that **wearing a mask is a personal choice** as we are a mask friendly school. Either choice will be respected.
- Students will be encouraged to practice strong hand hygiene and will have opportunities to wash their hands or utilize hand sanitizer stations between transitions.
- Under the BCCDC Guidance students **should not come to school if they are sick and unable to participate fully in routine activities**. Please conduct a health check with your child each morning.
- A health check means a person regularly checking to ensure they (or their child) are not experiencing symptoms of illness (including but not limited to [COVID-19 symptoms](#)) that would limit their ability to participate fully in regular activities before coming to school to prevent spread of communicable diseases, such as COVID-19, within school settings.

What To Do When Sick

Staff, students, or other persons who are exhibiting new symptoms of illness (including symptoms of [COVID-19](#) or gastrointestinal illness) should stay home and follow the BCCDC guidance outlined below:

If the person is experiencing COVID-19 symptoms

BCCDC Guidance

- The [When to Get Tested for COVID-19 resource](#) or the [B.C. Self-Assessment Tool](#) provides more information on whether you should get a test for COVID-19. Those unsure or concerned about their symptoms should connect with a health care provider or call 8-1-1.
- Staff, children, or other persons in the school setting who test positive for COVID-19 should follow the guidance on the [BCCDC website](#) as to how long they should self-isolate. They can return to school when they no longer need to self-isolate as long as symptoms have improved, and they are well enough to participate in regular activities. Schools should not require a health care provider note (e.g., a doctor's note) to confirm the health status of any individual, beyond those required to support medical accommodation as per usual practice.

- Students who develop symptoms and/or become sick at school will be isolated and sent home.
