

## RIDGEVIEW PARENT PARTICIPATION

Ridgeview has a great history of parent participation. This coming school year, we are taking participation one step further – right to the parents of each grade.

Each grade has been given the lead responsibility for coordinating one of Ridgeview’s annual events.

### ***Grade 7 Graduation***

<b><i>Description:</i></b>	Grade 7 is a busy year for students because they are asked to contribute in all sorts of ways to Ridgeview’s events. One of the big events for Grade 7’s is their graduation. Each year’s graduating class does things a little differently – reflecting the character of the class.
<b><i>Lead Organizers:</i></b>	Parents of Grade 7 Classes
<b><i>Timing of Event:</i></b>	Planning starts in September; Ceremony and Events in June

Throughout the end of the school year, your RPAC Grade Rep will be contacting parents about supporting this event.

In the meantime, please talk to other parents. One of you might want to lead the organizing; others might want to participate on the day of the event. Together, you’ll come up with some great ideas on how to make your event better than ever before!

Wishing every Ridgeview family a wonderful school year.
