SCHOOL NEWS

SUPPORTING RIDGEVIEW – RPAC CHEQUE WRITING CAMPAIGN (GR K-7)

\$6,700 donated so far! Thank you!! Let's keep it going to reach the goal of \$10,000! The RPAC has begun a 5-week Cheque Writing Campaign to support specific technology upgrades and access in our school. Without the ability for the usual fundraisers due to COVID, this will be the RPAC major fundraiser of the year! The focus of this campaign is to ensure that technology access is equitable and up-to-date with synchronous and asynchronous learning. We are also creating more video and podcasts and need the equipment to support better quality production rather than just off Mr. Parslow's iPhone so we can share with you often.

Your support is greatly appreciated and needed! The RPAC and the school are hoping to raise \$10,000 and requesting donations of \$50 if you're able to contribute. To make a donation online, please go to the school website and follow the link to [School Cash Online](#). Then choose the "make a donation" button, and choose the fund destination "Ridgeview Cheque Writing Campaign 2021". Please see the attached RPAC Newsletter for more information. Thank you again for all your support!

UPDATED DAILY HEALTH CHECK (GR K-7)

Please see the attached most recent Daily Health Check to be reviewed each morning before sending your child to school.

LUNAR NEW YEAR – THE WEEK OF FEBRUARY 16-19TH (AFTER READING BREAK) (GR K-7)

We are recognizing the Lunar New Year – the Year of the Ox – that starts on February 12th during our Reading Break. Unfortunately, COVID is preventing us from welcoming in the community to help us plan for this holiday, but we are decorating the school and celebrating the characteristic traits of the Ox such as hardworking and honesty. Kindergarten to Grade 4 students are singing "Xin Nian Hao" and we will be recording some of these classes singing as well as interviewing students who wish to volunteer what this holiday means to them and capturing other classroom moments focusing on the new year – to send out a short video by this week's end showcasing this holiday at Ridgeview.

PINK SHIRT DAY – WEDNESDAY, FEBRUARY 24TH (GR K-7)

Get ready for Pink Shirt day later in the month on February 24th. We want all of our students to wear pink to signify tolerance, acceptance and inclusion. [Pink Shirt Day](#) is a day promoting anti-bullying.

WEST VANCOUVER DISTRICT PARENT ADVISORY COUNCIL (DPAC)

Our RPAC representative, Ania Milczynska, wants to make sure Ridgeview parents know of this web page and resources available to parents. We always have the link above in the header of our eBulletin – but it's worth checking out: <https://westvancouver.schools.ca/dpac/>.

WEATHER CLOSURES AND PROCEDURES

As winter weather approaches, the likelihood of school disruptions due to snowfall or power outages increases. As such, we would like to provide you with some important information about the district's weather closure of schools procedures and announcements process.

The district aims to keep schools open on every regular instructional day, including those with snowfall. However, the final decision to send students to school resides with the parent or guardian since they are most familiar with the specific road and weather conditions around their home and community.

Weather Closure of Schools (Outside School Hours)

Any decision to close schools for the safety of children will be made by the Superintendent. Parents, students, and staff will be informed of the Superintendent's decision via:

- the school district website at www.westvancouver.schools.ca; and
- a School Messenger email

We endeavour to communicate this information to parents and staff by 6:00 a.m. on the day of closure.

Weather Closure of Schools (During School Hours)

If weather conditions create a concern for the safety of students returning home, the school Principal can decide to dismiss school early after consulting with the Superintendent.

The decision will be communicated to parents and students using the school's normal communication system (School Messenger).

Student safety is our first priority. Every effort will be made to keep schools open, but parents are encouraged to establish a plan for their children in the event of early dismissal or school closure.

As always, please refer to [this section of the district website](#) for the latest information.

School closures may also appear on several local news sources including:

HOST FAMILIES NEEDED

Apply now to welcome a student for the 2021/2022 school year. \$1,100 compensation per month.

Always wondered what it would be like to host an international student? Read how rewarding hosting is for Christine and her entire family:

"We are always blessed to have many wonderful students, seeing how our students grow from girls to young ladies is truly rewarding. We still get letters or messages from our students often. They aren't only homestay students to us, they're actually part of our family.

Our children and homestay students support and help each other in many ways - from learning different cultures to supporting each other's learning at the schools. Our children became more open-minded, understanding and respecting people's differences and life choices.

Working with West Vancouver International Program is an amazing experience. Staff are supportive, friendly, caring and helpful. Being an experienced homestay parent who worked with different homestay agents in past years, I honestly think hosting students is a positive experience, especially when you have great team to support you in many areas"
