SCHOOL NEWS

THE PROUD PRINCIPAL – LUNAR NEW YEAR

The school is working with a group of parent volunteers to create a special day on Thursday, January 26th to celebrate the Lunar New Year – the Year of the Rabbit. We are hard at work and training. We will start with a lion dance parade with drummers that parents are able to watch. This will start at 8:45 am in the undercover area by the Grade 3 doors. The lion parade will visit each classroom to bless each space and in hopes of bringing prosperity to each room. The lion will be attracted to each classroom by a symbolic head of lettuce that will be exchanged with the lion for a gift for each student. Parents will be able to view the parade in three ideal locations: the Grade 3 undercover area (start), downstairs hallway, upstairs foyer/entrance (end).

After the parade, buddy classes will join up and take turns going to several stations for students only. We will have Kung Fu in the gym as well as a few more station in the library with the infamous sugar lady to make a treat for each child.

STAFFING

Ms. Soderling, our music and band teacher, currently has taken leave. We will have Ms. McLauchlan who will be taking over 4 days a week to provide our music and band. We have asked Ms. Dawson, currently in Grade 4/5, to cover on Wednesdays for prep coverage for Ms. Soderling – but with a different lens of programming than music. This situation will be in place until Spring and perhaps to June.

SALEEMA NOON BODY SCIENCE – PARENT INFORMATION NIGHT

Please mark your calendars that Saleema Noon will be holding a virtual parent information session (for all grades) to discuss and answer any questions regarding her Body Health Workshops on **Monday, February 13th at 6:30pm**. Saleema Noon Body Health Workshops for students (all grades) will take place during school on February 15 and 16. Saleema's workshop presentation is an extension of the [Ministry of Education](#) Physical Health Curriculum. Thank you to RPAC for financially sponsoring this event. More information and a link to join the parent meeting will be sent to all parents closer to the date.

LUNCH UTENSILS

A reminder to pack a reusable fork, spoon or chopsticks from home should your child require a utensil to eat what they have for their lunch. **This includes if they are receiving hot lunch.** In order to reduce the amount of waste produced, utensils are not provided with hot lunch and we do not have utensils available in the office.

IF YOUR CHILD WILL BE ABSENT OR ARRIVING LATE FOR SCHOOL

It is extremely important that student absences/late arrivals be reported to the school office prior to 9:00am by either leaving a voice message on the **'Call Back' phone line at 604-981-1252** or by emailing Mrs. Lytle (slytle@wvschools.ca). Please call or email **EACH** day your child is absent or if you know your child will be away for an extended period of time, please email Mrs. Lytle so that this information can be recorded on the Call Back 'long term' form. Also, if you will be extending your winter break holiday beyond January 2nd, please let us know. Thank you for your cooperation.

DISTRICT WEATHER CLOSURES AND PROCEDURES

As winter approaches, the likelihood of school disruptions due to snowfall or power outages increases. As such, we would like to provide you with some important information about the district's weather closure of schools procedures and announcements process.

The district aims to keep schools open on every regular instructional day, including those with snowfall. However, the final decision to send students to school resides with the parent or guardian since they are most familiar with the specific road and weather conditions around their home and community.

Weather Closure of Schools (Outside School Hours)

Any decision to close schools for the safety of children will be made by the Superintendent. Parents, students, and staff will be informed of the Superintendent's decision via: the school district website at www.westvancouver.schools.ca and a School Messenger email

We endeavor to communicate this information to parents and staff by 6:00 a.m. on the day of closure.

Weather Closure of Schools (During School Hours)

If weather conditions create a concern for the safety of students returning home, the school principal can decide to dismiss school early after consulting with the Superintendent.

The decision will be communicated to parents and students using the school's normal communication systems.

Student safety is our first priority. Every effort will be made to keep schools open, but parents are encouraged to establish a plan for their children in the event of early dismissal or school closure.

As always, please refer to [this section of the district website](#) for the latest information.
