SCHOOL NEWS

THE PROUD PRINCIPAL – PINK SHIRT DAY 2023

We celebrated Pink Shirt Day yesterday showcasing our dance moves to Surface Pressure. Our Grade 6's taught the younger grades the moves and led [the flash mob yesterday captured on film](#). As a school community in Term 2, we have focused on "Others" by learning what Empathy and Kindness looks like and celebrating little moments of success when we see it. We will be sharing our learning experiences and successes at a Sense of Belonging Assembly at the end of term which will also feature a Nouruz aspect

TRAFFIC SAFETY REVISED UPDATE

Check out this [Traffic Safety Video explain the Drop & Go/ Pick Up & Go area along Mathers Ave.](#)

We have updated the “Pick Up/Drop Off/ No Parking Zone” with new signage to remind parent drivers that this is an area to keep moving – not for parking your car to watch your child on the playground before school starts and not for waiting for the bell to let your child out when it rains. We have other areas around our school with ample ability to park and wait. This zone is meant to keep moving. **Please make sure your child knows to come directly to this area if you are using Mathers Ave. to pick up after school – this really helps!** ICBC will be here next week to continue the “blitz” of making time in our day to slow down and think about our children – let’s make coming to school a stress free and safe experience.

MOVING? CHANGING SCHOOLS?

It is very important to inform us if you know your child(ren) will **NOT** be returning to Ridgeview in September for the 2023/24 school year. Please email Mrs. Lytle (slytle@wvschools.ca) as soon as possible as it is important for us to have accurate information regarding enrollment for the upcoming school year. Thank you for your cooperation.

LUNCH UTENSILS – PACK FROM HOME

A reminder to **pack a reusable fork, spoon or chopsticks from home** should your child require a utensil to eat what they have for their lunch. **This includes if they are receiving hot lunch.** In order to reduce the amount of waste produced, utensils are not provided with hot lunch and we do not have utensils available in the office.

IF YOUR CHILD WILL BE ABSENT OR ARRIVING LATE FOR SCHOOL

It is extremely important that student absences/late arrivals be reported to the school office prior to 9:00am by either leaving a voice message on the ‘**Call Back**’ phone line at **604-981-1252** or by emailing Mrs. Lytle (slytle@wvschools.ca). Please call or email **EACH** day your child is absent or if you know your child will be away for an extended period of time, please email Mrs. Lytle so that this information can be recorded on the Call Back ‘long term’ form. Also, if you will be extending your winter break holiday beyond January 2nd, please let us know. Thank you for your cooperation.

DISTRICT WEATHER CLOSURES AND PROCEDURES

As winter approaches, the likelihood of school disruptions due to snowfall or power outages increases. As such, we would like to provide you with some important information about the district’s weather closure of schools procedures and announcements process.

The district aims to keep schools open on every regular instructional day, including those with snowfall. However, the final decision to send students to school resides with the parent or guardian since they are most familiar with the specific road and weather conditions around their home and community.

Weather Closure of Schools (Outside School Hours)

Any decision to close schools for the safety of children will be made by the Superintendent. Parents, students, and staff will be informed of the Superintendent’s decision via: the school district website at www.westvancouver.schools.ca and a School Messenger email

We endeavor to communicate this information to parents and staff by 6:00 a.m. on the day of closure.

Weather Closure of Schools (During School Hours)

If weather conditions create a concern for the safety of students returning home, the school principal can decide to dismiss school early after consulting with the Superintendent.

The decision will be communicated to parents and students using the school's normal communication systems.

Student safety is our first priority. Every effort will be made to keep schools open, but parents are encouraged to establish a plan for their children in the event of early dismissal or school closure.

As always, please refer to [this section of the district website](#) for the latest information.
