SCHOOL NEWS

THE PROUD PRINCIPAL – GRADE 2 BCCH FUNDRAISER

[Grade 2 students, Abby, Tina and Janan](#) are supporting BC Children's Hospital with a bracelet fundraiser next week on February 15 and 16 at recess and lunch. Students can purchase various bracelets from \$2-4 to support BCCH. These girls are super excited about this fundraising process and are demonstrating kindness while learning how fundraising works. A team of former fundraisers from Grade 5 helped coached them the steps to take. We love that students can learn from each other and it's inspiring to see 7-year old's taking action!

TRAFFIC SAFETY

Starting the week of February 13th, we will be out on Mathers Avenue in the Pick Up/Drop Off/ No Parking zone to remind parent drivers that this is an area to keep moving – not for parking your car to watch your child on the playground before school starts and not for waiting for the bell to let your child out when it rains. We have other areas around our school with ample ability to park and wait. This zone is meant to keep going. In working with the District's Bylaw team – we will have new signage that says "Drop & Go" before school as well as Pick Up & Go" after school and we will be doing a "blitz" to educate parents about the purpose of this space. School staff, WVPD and Community Officers will be present to encourage that this zone operates properly. If you as a parent, wish to join us as a volunteer this week – please email Mr. Zerbe directly (wzerbe@wvschools.ca). We are giving you lots of time and a heads up that this is coming to give your family time to reconsider the morning routine, and to either park and walk in off Lawson, 13th or Kings or to be able to use this Pick Up/Drop Off/No Parking zone accordingly along Mathers Ave. Your cooperation is appreciated when it comes to student safety.

SALEEMA NOON BODY SCIENCE – PARENT INFORMATION NIGHT

Please mark your calendars that Saleema Noon will be holding a virtual parent information session (for all grades) to discuss and answer any questions regarding her Body Health Workshops on **Monday, February 13th at 6:30pm**. An email was sent out to all families February 3rd with the link for the virtual meeting. Saleema Noon Body Health Workshops for students (all grades) will take place during school on February 15th and 16th. Saleema's workshop presentation is an extension of the [Ministry of Educations Physical Health Curriculum](#). Thank you to RPAC for financially sponsoring this event.

MOVING? CHANGING SCHOOLS?

It is very important to inform us if you know your child(ren) will **NOT** be returning to Ridgeview in September for the 2023/24 school year. Please email Mrs. Lytle (slytle@wvschools.ca) as soon as possible as it is important for us to have accurate information regarding enrollment for the upcoming school year. Thank you for your cooperation.

LUNCH UTENSILS – PACK FROM HOME

A reminder to **pack a reusable fork, spoon or chopsticks from home** should your child require a utensil to eat what they have for their lunch. **This includes if they are receiving hot lunch**. In order to reduce the amount of waste produced, utensils are not provided with hot lunch and we do not have utensils available in the office.

IF YOUR CHILD WILL BE ABSENT OR ARRIVING LATE FOR SCHOOL

It is extremely important that student absences/late arrivals be reported to the school office prior to 9:00am by either leaving a voice message on the **'Call Back' phone line at 604-981-1252** or by emailing Mrs. Lytle (slytle@wvschools.ca). Please call or email **EACH** day your child is absent or if you know your child will be away for an extended period of time, please email Mrs. Lytle so that this information can be recorded on the Call Back 'long term' form. Also, if you will be extending your winter break holiday beyond January 2nd, please let us know. Thank you for your cooperation.

DISTRICT WEATHER CLOSURES AND PROCEDURES

As winter approaches, the likelihood of school disruptions due to snowfall or power outages increases. As such, we would like to provide you with some important information about the district's weather closure of schools procedures and announcements process.

The district aims to keep schools open on every regular instructional day, including those with snowfall. However, the final decision to send students to school resides with the parent or guardian since they are most familiar with the specific road and weather conditions around their home and community.

Weather Closure of Schools (Outside School Hours)

Any decision to close schools for the safety of children will be made by the Superintendent. Parents, students, and staff will be informed of the Superintendent's decision via: the school district website at www.westvancouver.schools.ca and a School Messenger email

We endeavor to communicate this information to parents and staff by 6:00 a.m. on the day of closure.

Weather Closure of Schools (During School Hours)

If weather conditions create a concern for the safety of students returning home, the school principal can decide to dismiss school early after consulting with the Superintendent.

The decision will be communicated to parents and students using the school's normal communication systems.

Student safety is our first priority. Every effort will be made to keep schools open, but parents are encouraged to establish a plan for their children in the event of early dismissal or school closure.

As always, please refer to [this section of the district website](#) for the latest information.
