Professional Development Day (no classes for students)

SCHOOL NEWS

THE PROUD PRINCIPAL – SNOW DAYS

It's not often we have a snow day, let alone two. While today's decision was right on the fence, it comes down to safety for students, families and staff to get to work/school. Our Superintendent makes these calls but coordinates with other metro school districts to make the best decision they can using the latest weather and road conditions. While major roads are passable, only today are sidewalks being cleared of snow and side streets are still treacherous. We also have hilly geography and roads in West Vancouver that make travel challenging. While staff worked remotely from home, our amazing custodian, Mr. Alex, is on-site to clear the pathways, salt the ground and make schools safe for our return. [Thank you, Mr. Alex!](#)

DRESS FOR THE WEATHER (GR K-7)

With winter weather in full swing, please ensure your child is prepared with proper outerwear and footwear including, gloves, toque, scarf etc. It is also a very good idea to have a set of extra clothes (including socks/shoes) at school should your child get wet and/or muddy during the school day.

GRADE 4 AND 7 FOUNDATION SKILLS ASSESSMENTS (FSAs)

Students in Grades Four and Seven across British Columbia completed assessments in Literacy and Numeracy in November. These annual assessments of academic skills provide parents, teachers, school, school district and the ministry with important information on student progress. Ridgeview parents and guardians of Grade Four and Seven learners, please check your children's backpacks as their marked assessments will be sent home this Friday. The assessments are a snapshot of your child's progress. Please note that this is the ONLY copy of your child's booklet.

ROAD WORK ON 15TH STREET

We have been advised that 15th Street will be closed for road work between Queens and Mathers for 8 weeks. Please plan ahead and give yourself extra time to get to school as there will be detours for this area.

STUDENT ABSENCES / LATE ARRIVALS (GR K-7)

It is extremely important that student absences/late arrivals be reported to the school office prior to 8:40am by leaving a voice message on the 'Call Back' phone line at **604-981-1252** or by emailing Mrs. Lytle (slytle@wvschools.ca). Please call each day your child is absent or if you know your child will be away for an extended period of time (such as holidays), please email the office so that this information can be recorded on the Call Back 'long term' form. Thank you for your cooperation.

LUNCH UTENSILS (GR K-7) – REMEMBER TO PACK FROM HOME

A reminder to pack a reusable fork, spoon or chopsticks from home should your child require a utensil to eat what they have for their lunch. This includes if they are receiving hot lunch. In order to reduce the amount of waste produced, **utensils are not provided with hot lunch and we do not have utensils available in the office.**

DISTRICT WEATHER CLOSURES AND PROCEDURES

As winter approaches, the likelihood of school disruptions due to snowfall or power outages increases. As such, we would like to provide you with some important information about the district's weather closure of schools procedures and announcements process.

The district aims to keep schools open on every regular instructional day, including those with snowfall. However, the final decision to send students to school resides with the parent or guardian since they are most familiar with the specific road and weather conditions around their home and community.

Weather Closure of Schools (Outside School Hours)

Any decision to close schools for the safety of children will be made by the Superintendent. Parents, students, and staff will be informed of the Superintendent's decision via: the school district website at www.westvancouver.schools.ca and a School Messenger email

We endeavour to communicate this information to parents and staff by 6:00 a.m. on the day of closure.

Weather Closure of Schools (During School Hours)

If weather conditions create a concern for the safety of students returning home, the school principal can decide to dismiss school early after consulting with the Superintendent. The decision will be communicated to parents and students using the school's normal communication systems.

Student safety is our first priority. Every effort will be made to keep schools open, but parents are encouraged to establish a plan for their children in the event of early dismissal or school closure.

As always, please refer to [this section of the district website](#) for the latest information.

HOT LUNCH PROGRAM 2023/24 – WINTER TERM OPEN FOR ORDERING

Ordering is open on [Munch-a-Lunch](#)

Please remember there is a **strict 8 day cut-off** to place or edit your order. Once that cut-off has passed, no changes can be made.

The school lunch program at Ridgeview is one of the RPAC's biggest fundraisers. Last year we raised \$30,000!

The funds from the lunch program are used for a variety of projects and programs that benefit our children. These are separate from the specific project(s) funded by the annual cheque writing campaign. Thank you to all the families that have contributed to this fundraising program!

This year we have a full line up of options for everyone to try:

Monday- Domino's Pizza
Tuesday- Presto Catering
Wednesday- White Spot
Thursday- Well Fed
Friday- Domino's Pizza

We have a new vendor this year. Well Fed has joined our line-up and offers a variety of hot and cold lunch options as well as snacks, baked goods and beverages. Some hot items will be rotating week to week, so make sure to check out more than just one of the Thursday menus.

Reminder- Utensils are not provided for hot lunches. Please make sure to send the appropriate cutlery with your child.
