SCHOOL NEWS

THE PROUD PRINCIPAL–CHEQUE WRITING CAMPAIGN

It starts today! Our RPAC, in conjunction with the school, will also be hosting the 2025 Cheque Writing Campaign from January 23 – February 7th. Our focus will be to beautify the outside of our grounds with more seating (benches) as well as supplementing student learning with additional

resources and opportunities for our students. If you wish to support this campaign and our school, please see the attached letter.

LUNAR NEW YEAR 2025

We have been working with a small committee to recognize the Lunar New Year – the Year of the Snake.

We are currently planning for two assemblies on January 31st. Our primary assembly will be at 9:15 am while the intermediate assembly will be at 10:45 am. A group of Grade Seven students will be learning to drum and perform to recognize this significant cultural event in addition to a Kung Fu demonstration and more. We will have limited space for parents to join us in the back of the gym.

RIDGEVIEW SPIRIT/SPORTS WEAR DAY - TOMORROW

We are celebrating Ridgeview on Friday, January 24th with embracing school pride – wear your new Ridgeview Dragon Sportswear and /or wear purple, teal, silver (gray)! Go Dragons go!

Do1GIVE

Today, I was incredibly proud of our Grade seven students as they presented to a group of district principals about their involvement in Do1Give and the power of giving back. Sterling, Brooklyn, Sofie, Avin, Jaden and Ryan spoke passionately about how even small acts of kindness can create meaningful change, sharing examples of how they've helped the community with pride and purpose. Their ability to speak on the importance of generosity, compassion, and service left everyone inspired. These students truly embody the spirit of Do1Give by demonstrating leadership and a commitment to making the world a better place, one act of kindness at a time. Seeing their confidence and enthusiasm reminds us how impactful it is to cultivate empathy and encourage our students to be change-makers. Great work, Grade 7s—you've made us all proud! Do1Give day is set for April 24, 2025 and our school will be participating again to make a difference. Thank you to Jacqueline Way for her ongoing support with this campaign.

REMEMBER TO PACK LUNCH UTENSILS FROM HOME (GR K-7)

A reminder to please pack a reusable fork, spoon or chopsticks from home should your child require a utensil to eat what they have for their lunch. This includes if they are receiving hot lunch. **Utensils are not provided with hot lunch and we do not have utensils available in the office.**

STUDENT ABSENCES / LATE ARRIVALS (GR K-7)

It is extremely important that student absences/late arrivals be reported to the school office prior to 8:40am by leaving a voice message on the '**Call Back**' phone line at **604-981-1252** or by emailing Mrs. Lytle (slytle@wvschools.ca). Please call each day your child is absent or if you know your child will be away for an extended period of time (such as holidays), please email the office so that this information can be recorded on the Call Back 'long term' form. Thank you for your cooperation.

DISTRICT WEATHER CLOSURES AND PROCEDURES

As winter approaches, the likelihood of school disruptions due to snowfall or power outages increases. As such, we would like to provide you with some important information about the district's weather closure of schools procedures and announcements process.

The district aims to keep schools open on every regular instructional day, including those with snowfall. However, the final decision to send students to school resides with the parent or guardian since they are most familiar with the specific road and weather conditions around their home and community.

Weather Closure of Schools (Outside School Hours)

Any decision to close schools for the safety of children will be made by the Superintendent. Parents, students, and staff will be informed of the Superintendent's decision via: the school district website at www.westvancouver.schools.ca and a School Messenger email

We endeavour to communicate this information to parents and staff by 6:00 a.m. on the day of closure.

Weather Closure of Schools (During School Hours)

If weather conditions create a concern for the safety of students returning home, the school principal can decide to dismiss school early after consulting with the Superintendent. The decision will be communicated to parents and students using the school's normal communication systems.

Student safety is our first priority. Every effort will be made to keep schools open, but parents are encouraged to establish a plan for their children in the event of early dismissal or school closure.

As always, please refer to [this section of the district website](#) for the latest information.
