SCHOOL NEWS

THE PROUD PRINCIPAL – ATHLETICS (BASKETBALL)

Ridgeview's Grade 7 boys' and girls' basketball teams had an exciting and successful start to their season on Tuesday, with both teams winning their opening games. We are proud to see such strong student participation and school spirit, with many students representing Ridgeview on the court. A sincere thank you to our dedicated coaches, Ms. Roughley for the girls' team, and Ms. Sharma and Ms. Johl for the boys' team, for their time, leadership, and support of our athletes.

Across the school, basketball has been a focus in many gym classes, with students building skills, confidence, and teamwork. With the recent stretch of great weather, many students have also been taking advantage of outdoor hoops at recess, staying active and enjoying time together outside. It has been wonderful to see so many students engaged, moving their bodies, and showing their Dragon spirit both in and out of the gym.

REMEMBER TO PACK LUNCH UTENSILS FROM HOME (GR K-7)

A reminder to please pack a reusable fork, spoon or chopsticks from home should your child require a utensil to eat what they have for their lunch. This includes if they are receiving hot lunch. **Utensils are not provided with hot lunch and we do not have utensils available in the office.**

STUDENT ABSENCES / LATE ARRIVALS (GR K-7)

It is extremely important that student absences/late arrivals be reported to the school office prior to 8:40am by leaving a voice message on the '**Call Back**' phone line at **604-981-1252** or by emailing Mrs. Lytle (slytle@wvschools.ca). Please call each day your child is absent or if you know your child will be away for an extended period of time (such as holidays), please email the office so that this information can be recorded on the Call Back 'long term' form. Thank you for your cooperation.

DRESS FOR THE WEATHER/ PLAN FOR SAFE ROUTE HOME (GR K-7)

As more typical winter weather is upon us, please ensure your child is prepared to go outside in all weather conditions **when they leave the house in the morning**. We also strongly encourage every student to have a set of extra clothes (including socks/shoes) at school should they get wet and/or muddy during the day. Hoodies and/or down jackets are great on cooler days – but not effective in the rain. Please make sure your child can stay dry in the rain, from jackets to footwear. Here is the "["West Coast Recess and Lunch at Ridgeview"](#) blog about going outside at school and the benefits that come with it.

Now that the time change has occurred and we have less light at the end of the day, please ensure your child(ren) have a safe plan to get home. After 4 o'clock, it's becoming dark outside and students should be heading home sooner than they would when we had better weather and longer days. Please adjust your routine accordingly.

EARLY PICK UPS (GR K-7)

To avoid disruptions during class time, we encourage families to schedule appointments outside of school hours, however, we understand it is occasionally unavoidable. Should it be necessary to pick your child up early on the odd occasion, **please be sure to email their teacher (and copy the office) in advance so the teacher is aware to help minimize disruption**. Thank you for your cooperation.

FEEDING FUTURES

As part of the Ministry of Education and Childcare [Feeding Futures initiative](#), the West Vancouver School District has established a food security structure to confidentially assist students and families. The West Vancouver School District Food Security Plan will help students and families by providing confidential financial support for families facing food insecurity. Families are encouraged to reach out directly to their school principal or to feedingfutures@wvschools.ca if they need support with food-related costs. Please be assured that all requests will be addressed with sensitivity, respect, and confidentiality.

WEST VANCOUVER SCHOOLS ADMISSIONS

K-12 admission applications for both in-district and out-of-district students opens on January 15! If you have students in your family or network who are looking to join our district, please help spread the word about this important date.

West Vancouver Schools offer a wonderful opportunity to be part of a community that values excellence in education. Our schools take pride in creating meaningful learning experiences and providing opportunities that support the growth, well-being, and success of every student. To learn more about registration expectations and processes, please visit our admissions page: [West Vancouver Schools Admissions](#)

We look forward to welcoming new students and families to our vibrant and supportive school community!

CYBERSECURITY, AI & QUANTUM COMPUTING DISTRICT PROGRAM (GR 7)

Cybersecurity, Artificial Intelligence and Quantum Computing is a hands-on, project based course offered to students who are attending Rockridge, Sentinel or West Van Secondary. Students learn the theory and apply it to practical projects in the fields of Cybersecurity, Artificial Intelligence and Quantum Computing. They also have an opportunity to prepare for external certifications in Cybersecurity, Networking, Internet of Things, Programming, CompTIA, and Data Science. Students can participate in local, national, and international competitions such as *CyberPatriot* (<https://www.uscyberpatriot.org/>), *Young Defenders of the North* (<https://www.instagram.com/p/DHqs2PtM4Dw/>), *picoCTF* (<https://picoctf.org/>) from Carnegie Mellon University, *Quantum Arcade Game Jam* (<https://knowledgeflow.org/initiative/ubcs-year-of-quantum-arcade-game-jam/>) from UBC, and others. The course aims at helping students prepare material they can use for university applications.

More details about the course is available here <https://cybersecurityand.ai/>

If interested, please sign up at <https://westvancouverschools.ca/programs/cybersecurity-ai/>

There are only 4 spots left for students who will be in Grade 8 next year (2026 - 2027). Dr. Chugani will contact those shortlisted to schedule a meeting and go over the course schedule, requirements, and expectations. Please contact him (mchugani@wvschools.ca) if you have any questions prior to applying.

DISTRICT WEATHER CLOSURES AND PROCEDURES (GR K-7)

Winter weather increases the likelihood of school disruptions due to snowfall or power outages. The following information outlines the district's procedures and announcement process for weather-related school closures.

The district aims to keep schools open on every regular instructional day, including those with snowfall. However, the final decision to send students to school resides with the parent/guardian, as they are most familiar with the specific road and weather conditions around their home and community.

Weather Closure of Schools (Outside School Hours)

Any decision to close schools for the safety of children will be made by the Superintendent. Parents/guardians, students, and staff will be informed of the Superintendent's decision via the school district website at www.westvancouverschools.ca and a School Messenger email from the district.

Efforts are made to communicate this information to parents/guardians and staff by 6:00 a.m. on the day of closure.

Weather Closure of Schools (During School Hours)

If weather conditions create a concern for the safety of students returning home, the school principal may decide to dismiss school early after consulting with the Superintendent.

The decision will be communicated to parents/guardians and students using the school's normal communication systems.

Student safety is the first priority. Every effort will be made to keep schools open, but parents/guardians are encouraged to establish a plan for their children in the event of early dismissal or school closure.

For the latest information, refer to [this section of the website](#).

Please note that school closures may also appear on West Vancouver social media platforms and local news sources.
