## SCHOOL NEWS

### THE PROUD VICE PRINCIPAL

February is a special month at Ridgeview as we launch our Caught Being Kind campaign. This initiative celebrates the many ways our students show care, empathy, and responsibility throughout our school community.

Throughout the month, teachers and staff will be watching for acts of kindness in classrooms, hallways, playgrounds, and shared spaces. Students who are caught being kind may receive a

nomination note, which they can bring to the office to be added to our Caught Being Kind bulletin board and potentially shared as a shout-out during announcements.

Kindness at Ridgeview looks like including others, helping without being asked, using respectful language, standing up for peers, and taking pride in our shared spaces. These moments, big and small, help make our school a safe, welcoming place for everyone. I am incredibly proud of our students and the positive choices they make each day. I look forward to celebrating many acts of kindness with our Ridgeview community this February.

## LUNAR NEW YEAR 2026

We have been working with a small committee to recognize the Lunar New Year – the Year of the Horse.

We will have two assemblies on February 20<sup>th</sup>. Our primary assembly will be at 9:15 am while the intermediate assembly will be at 10:45 am. Our parent organizers have assisted and arranged for a group of Grade Seven students to learn to drum and perform the lion dance to recognize this significant cultural event. In addition, there will be a face changing dancer, Tibetan dancers, a fashion show, a Kung Fu demonstration and more. We will have limited space for parents to join us in the back of the gym.

## THE CARD PROJECT IS BACK!

Our students have been busy creating beautiful art for this exciting RPAC fundraiser. There will be many products for purchase with your child's artwork! Stay tuned for more information on when and how to order.

## REMEMBER TO PACK LUNCH UTENSILS FROM HOME (GR K-7)

A reminder to please pack a reusable fork, spoon or chopsticks from home should your child require a utensil to eat what they have for their lunch. This includes if they are receiving hot lunch. **Utensils are not provided with hot lunch and we do not have utensils available in the office.**

## STUDENT ABSENCES / LATE ARRIVALS (GR K-7)

It is extremely important that student absences/late arrivals be reported to the school office prior to 8:40am by leaving a voice message on the **'Call Back' phone line at 604-981-1252** or by emailing Mrs. Lytle ([slytle@wvschools.ca](mailto:slytle@wvschools.ca)). Please call each day your child is absent or if you know your child will be away for an extended period of time (such as holidays), please email the office so that this information can be recorded on the Call Back 'long term' form. Thank you for your cooperation.

## DRESS FOR THE WEATHER/ PLAN FOR SAFE ROUTE HOME (GR K-7)

As more typical winter weather is upon us, please ensure your child is prepared to go outside in all weather conditions **when they leave the house in the morning**. We also strongly encourage every student to have a set of extra clothes (including socks/shoes) at school should they get wet and/or muddy during the day. Hoodies and/or down jackets are great on cooler days – but not effective in the rain. Please make sure your child can stay dry in the rain, from jackets to footwear. Here is the "[West Coast Recess and Lunch at Ridgeview](#)" blog about going outside at school and the benefits that come with it.

Now that the time change has occurred and we have less light at the end of the day, please ensure your child(ren) have a safe plan to get home. After 4 o'clock, it's becoming dark outside and students should be heading home sooner than they would when we had better weather and longer days. Please adjust your routine accordingly.

## EARLY PICK UPS (GR K-7)

To avoid disruptions during class time, we encourage families to schedule appointments outside of school hours, however, we understand it is occasionally unavoidable. Should it be necessary to pick your child up early on the odd occasion, **please be sure to email their teacher (and copy the office) in advance so the teacher is aware to help minimize disruption.** Thank you for your cooperation.

## FEEDING FUTURES

As part of the Ministry of Education and Childcare [Feeding Futures initiative](#), the West Vancouver School District has established a food security structure to confidentially assist students and families. The West Vancouver School District Food Security Plan will help students and families by providing confidential financial support for families facing food insecurity. Families are encouraged to reach out directly to their school principal or to [feedingfutures@wvschools.ca](mailto:feedingfutures@wvschools.ca) if they need support with food-related costs. Please be assured that all requests will be addressed with sensitivity, respect, and confidentiality.

## WEST VANCOUVER SCHOOLS ADMISSIONS

K-12 admission applications for both in-district and out-of-district students opens on January 15! If you have students in your family or network who are looking to join our district, please help spread the word about this important date.

West Vancouver Schools offer a wonderful opportunity to be part of a community that values excellence in education. Our schools take pride in creating meaningful learning experiences and providing opportunities that support the growth, well-being, and success of every student. To learn more about registration expectations and processes, please visit our admissions page: [West Vancouver Schools Admissions](#)

We look forward to welcoming new students and families to our vibrant and supportive school community!

## DISTRICT WEATHER CLOSURES AND PROCEDURES (GR K-7)

Winter weather increases the likelihood of school disruptions due to snowfall or power outages. The following information outlines the district's procedures and announcement process for weather-related school closures.

The district aims to keep schools open on every regular instructional day, including those with snowfall. However, the final decision to send students to school resides with the parent/guardian, as they are most familiar with the specific road and weather conditions around their home and community.

## Weather Closure of Schools (Outside School Hours)

Any decision to close schools for the safety of children will be made by the Superintendent. Parents/guardians, students, and staff will be informed of the Superintendent's decision via the school district website at [www.westvancouver schools.ca](http://www.westvancouver schools.ca) and a School Messenger email from the district.

Efforts are made to communicate this information to parents/guardians and staff by 6:00 a.m. on the day of closure.

## Weather Closure of Schools (During School Hours)

If weather conditions create a concern for the safety of students returning home, the school principal may decide to dismiss school early after consulting with the Superintendent.

The decision will be communicated to parents/guardians and students using the school's normal communication systems.

Student safety is the first priority. Every effort will be made to keep schools open, but parents/guardians are encouraged to establish a plan for their children in the event of early dismissal or school closure.

For the latest information, refer to [this section of the website](#).

Please note that school closures may also appear on West Vancouver social media platforms and local news sources.
