PENNIES FOR POLIO

The Rockridge Interact Club hosted its annual fundraiser, Pennies for Polio last week. Polio is a highly contagious viral infection that can lead to paralysis, breathing problems, and even death. Polio cases have been declining rapidly since 1985, and can be found in three remaining countries, but we want to put an end to it completely! Although there is no cure for polio, the only way to prevent it is with a 60-

cent vaccination. 60 cents can go far in saving someone's life! Interact Club members collected \$112.00 in donations. Thank you for your support!

ROCKRIDGE ATHLETICS – BASKETBALL

Basketball season is approaching – practices will start on November 7th. Before we can enter teams in the many divisions: Bantam, Junior and Senior, we need to find volunteer coaches for these teams. If there are any parents interested in coaching one of these basketball teams please contact [Mr. Armstrong](#) or [Mr. Crowley](#) as soon as possible.
