MYP PERSONAL PROJECT GRADE 10

Congratulations to all Grade 10 Presenters, who made Thursday, March 2nd another remarkable evening at Rockridge. The student presenters exhibited an incredible array of interests and talents and their depth of learning was evident as they spoke about their processes, and the culmination of their hard work. All of our student presenters should be proud of their efforts.

The MYP Personal Project Written Reports were due on February 23rd. A list of assessed projects will be posted outside the library on Monday April 3rd. Any concerns or incomplete reports must be discussed with personal project advisers as soon as possible, as a final list of grades must be submitted to the IB for moderation.

WORK BC FIND YOUR FIT is coming to Rockridge on Thursday March 30th.

Find Your Fit is part of the Provincial Government's initiative to re-engineer education and provide the skilled workforce to meet B.C.'s growing economic needs. This hands-on event will allow students to try a variety of skills needed across the province and apply this experience to their career planning. As well, it is an opportunity for our students to connect with the WorkBC labour market information tools and services. Students in grades 8-11 will be participating during their regular scheduled classes. Grade 12 students are encouraged to visit this event during their spare or at lunch. Students and parents attending any West Vancouver school are invited to attend this event from 3:15 - 7:00 pm. This event is suitable for grades 6 -12.

All Grade 10 students and parents are encouraged to attend this special event. The Work BC Find Your Fit tour will be stopping at Rockridge School. Be sure to attend this event as it is the only opportunity to access this free event on the North shore.
