### **PFIZER CANADA EPIPEN RECALL**

Pfizer Canada issued a statement saying it has decided to [voluntarily recall two types of the epinephrine injection](#).

*"In Canada, the recall impacts one lot (5GU763) of the 0.3 mg strength of EpiPen Auto-Injector expiring in May 2017 and one lot (5GR765) of the 0.15 mg strength of EpiPen Jr Auto-Injector expiring in March 2017," said the company, which distributes the product, manufactured by Meridian Medical Technologies in the U.S.*

*The products in lot 5GU763 were distributed by Pfizer Canada from January to March 2016. Those in lot 5GR765 were distributed from November 2015 to February 2016.*

*Pfizer said it's committed to replacing the recalled devices at no cost and has advised consumers who have them to contact its information line at 1-800-463-6001.*
