NOTE: Arrive 30 minutes before exams.

SUMMER LEARNING

Registration for Summer Learning courses opens on May 1st, 2017. Preview and upgrade courses run from July 5th to July 21st. Full credit courses run from July 5th to August 4th. Headstart Math programs run from July 24th to August 3rd. All courses are from 8:30 am to 1:00 pm, Monday to Friday. Students registered in the Summer Learning programs are expected to attend the full program. Extended absences for any reason cannot be accommodated. These include, but are not limited to, work, vacations, sporting events, games or practices, family commitments, or music festivals. Please do not register if extended absences are anticipated. Assessments are done on a daily basis, and missing classes may result in lost marks.

Priority Registration is available for students currently attending schools in the West Vancouver School District until May 8, after which registration will be available to any eligible student studying in B.C. Register early to ensure your place in a class. Please visit the Summer Learning website for course descriptions and registration: <http://westvancouver.schools.ca/summer-learning/>.

To complete registration, parents/students must provide the following information:

- Legal Full Name (as appears on their birth certificate)
- Personal Education Number (PEN): a 9-digit number that starts with a 1. If the PEN does not appear on your child's report card, you may also contact their home school for this information. This is NOT the same as your student number.

- Permanent BC address
- Contact phone number of parents/guardians in BC

Email address of parents/guardians in BC

VANCOUVER INTERNATIONAL UNIVERSITY FAIR

Vancouver's largest University Fair will be happening again this year at the Vancouver Convention Centre from 1-4PM on Sunday, April 30th. Over 180 universities will be at your service to answer questions about program offerings, the application process, tuition fees and more! To see who is participating and to register students for this free event please visit: [Vancouver International University Fair](#).

A highlight of this event are the [free information sessions](#). Experts in their areas are coming from all over the world to present on topics like: admission to Cambridge, writing winning essays, scoring big scholarship money, admissions to Canadian, US and UK institutions, NCAA eligibility, medical school admission, standardized testing and the relationship between a degree and a career. Please note the opening keynote workshops will begin at 12:30PM.

We are encouraging all grade 9-11 students and their parents to attend this event. Please register in advance to avoid line-ups at the door.
