Loudest @WestVanSchools Board Meeting I can remember - with the @RockridgeSS Drumline 🥁 presenting #bced #westvaned

One of my favourite parts of the refreshed BC Curriculum is the various new Social Studies electives. Great to hear from teacher @Jselzer107 and @RockridgeSS students explaining why Political Studies 12 is awesome! #westvaned #bced

Basketball season is keeping our gym busy every day of the week. A shot above from yesterday's Juvenile Boy's game against Sentinel.

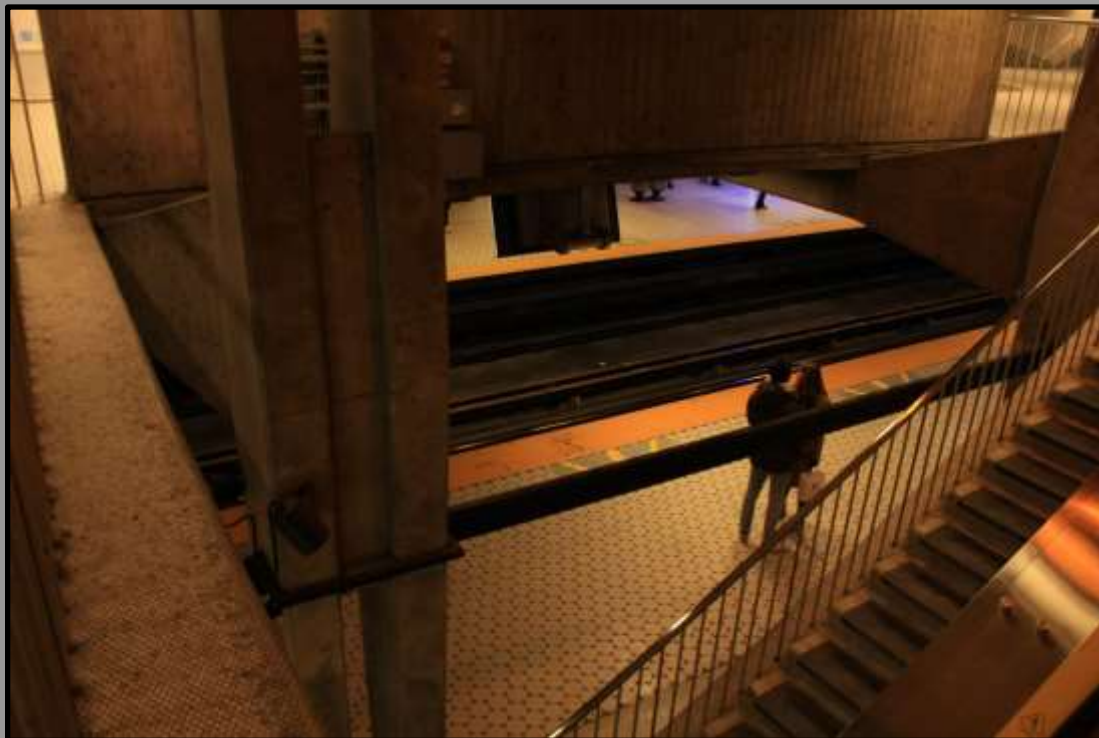

Rockridge hosted a tournament last weekend for Junior Boys at the Raven's Nest. We wish our Senior boys the best of luck as they are in Chilliwack for another tournament this weekend.

Rockridge has been a great place to be for the festive season. Our clubs have been busy planning a variety of opportunities to create some fun, while supporting our local community. Hope to see all our students in their grade colours Thursday and PJs on Friday.

The Outdoor Gathering Space ground preparations were underway last week with the first steps of the removal of a few trees. Ground excavation is the next step that will be coming soon in 2023.

Mr. Taguchi's Photo of the Week above is from Max W. from one of our Photography classes. A collection of student photos from this semester will be shared as a slideshow in Player's Hall this week.

Thanks for sharing this amazing picture from this morning Mr. Lam.
