Raven winter sports are keeping many student athletes busy indoors and out this month. Our Ski and Snowboard Team trained in Whistler again this week.

Is Your Grade 8 Raven in Science this Semester?

Parents of Rockridge Gr. 8 students are invited to attend Rockridge Secondary's inaugural **Grade 8 Science Fair!** The students will begin their Semester End investigations on January 16th and present their findings on Tuesday January 24th from 1:15 pm to 2:50 pm for their fellow Grade 8 students completing Science 8 this semester. Students will be showcasing their ability to apply the Scientific Method to answer a question about the physical world around them. We (Kelly and Scott) are hoping you can join us in our Science Classrooms (W203, W204, and W205) for this celebration of learning. Students will be ready to give a quick presentation and answer any questions you may have about their exploration.

Date: January 24th 2023

Time: 1:15-2:50 pm

Our January PAC Meeting went on the road this month and met at The Orchard instead of our usual location at the Library Learning Commons. Our guest presenters were Michael Frankowski and Rebecca Rowley from our International Education office in West Vancouver Schools.
