## A MESSAGE FROM THE PRINCIPAL

Welcome to 2023 everyone. I hope you had a wonderful winter break that included all the special events and people to bring you that magical and joyful feeling only the holidays can create. With 2023 upon us I wish you and your family health and happiness in all your adventures to come.

I'm sure Tuesday morning was a bit of a shock to the system for some students (and staff too), but it was nice to have the school full of energy and excitement again as friends reconnected and classes resumed. Semester One will conclude at the end of the month, so these next three weeks are an important time for students to manage their deadlines, time and wellness carefully.

Earlier this week I did a little writing inspired by Superintendent Kennedy's annual blog post and created my own . . . Mr. Kolkea's One Word for 2023: click [here](#)

### **DEADLINE for course selection and/or changes for semester 2 is January 26th.**

Please visit your counselor to request any changes for Semester 2 prior to January 26th. After this deadline, we will not be able to accommodate any changes.

### **GRADE 7 Parent Open House**

Rockridge is hosting an Open House for Parents of Grade 7 students interested in attending Rockridge for the 2023-24 School Year. You are welcome to attend and please share the attached invitation with interested parents.

### **WEBSITE CALENDAR**

The Rockridge Website Calendar is currently under repair and should be reinstated sometime next week. In the meantime, please refer to the calendar above for upcoming important dates.

### **Parents of Grade 10 students - MYP Personal Project Exhibition**

We would like to mark your calendars for the **Personal Project Exhibition** taking place February 9th, 2023 from 6 – 8 pm! The students have been exploring, planning, developing and producing lots of amazing projects that speak to their ingenuity, perseverance and passion. We are so excited to celebrate and share with you all that they've accomplished!

Hope to see you there!

- *Rockridge Grade 10 CLE Teachers, MYP Coordinators & Administration*

### **ESP POP-UP SHOP DAY Tues, Jan 10th - 1-2 (8:30-10:30) & Thur, Jan 12th - 1-4 (10:30-12:30) - PH**

Students from the Economics Strategies Program have been working hard on creating their companies and products. They will be marketing their products to students in a Pop-Up Shop hoping to attract interest and generate a customer base. There will be music and lots of fun to be had!

### **GRADUATION LITERACY ASSESSMENT (GLA 10) - January 23-26**

All Grade 10 students must complete the Graduation Literacy Assessment (GLA) the week of January 23-26. The tests have been scheduled and students can find their exact time and location on a list shared through the **Grad class of 2025 google classroom**. In addition, gr 12s that did not complete the GLA 12 in November or gr 11s that did not do the GLA 10 last year will receive an email shortly with their test date and time. If students have a conflict or any questions, please contact Ms. Towers

[jtowers@wvschools.ca](mailto:jtowers@wvschools.ca)

ASAP.

For assistance with preparing for this assessment, students should refer to [this document](#) - with links to practice assessments. Ms. Towers will visit each CLE 10 class in early January to review the assessment and how to prepare for it. If a student wishes to rewrite the GLA10 or GNA10 assessment, they should contact Ms. Towers.

### **RAVENS ATHLETICS:**

Ravens Basketball teams will be back in action next week when season games and tournaments resume.

**The Ski and Snowboard team:** Students who have signed up for the team are reminded that payment for team fees are now due. Team Class code: a27uyug

**Raven Hockey:** If you are interested in competing in the North Shore High School Hockey League beginning April 2023, sign up on Google Classroom - owc2sjg

All grades and genders are welcome for tryouts. Any questions, come see Mr. Kim C208

**Stay up to date on Raven Athletics:**

- **Basketball Home Games:** check the website calendar for schedules [HERE](#). Our student athletes should be members of their team’s Google Classroom for full team schedules and messages.
- Follow Rockridge Secondary on Twitter: [Rockridge Secondary Twitter](#)
- Follow Rockridge Secondary on Instagram: [@rockridgess](#)
- Contact Mr. Ian Armstrong [IArmstrong@wvschools.ca](mailto:IArmstrong@wvschools.ca) if you have questions regarding our winter Athletics program.

**LOST & SOME ITEMS ALREADY FOUND - EXTENDED THIS WEEK**

Numerous items have accumulated in the first semester and are on display in front of the office. Please have your student come by to reclaim items by Friday this week. As our storage space is limited, some items will be donated this weekend. We are pleased to share that many lost items have been reunited with their human!

**BLOCK 5 UPDATES**

Our Tuesday and Thursday schedule provides ongoing opportunities for students to use their time to focus on their individual curricular needs.

Grade 8 and 9 students participated in another semester one Careers lesson today. Students completed their Semester 1 Approaches to Learning (ATL) reflections. Students were engaged in assessing their own strengths, creating realistic and achievable goals, constructing a clear plan to reach goals, providing examples and evidence of growth. Students in Careers 8 and 9 will be revisiting self-assessments to monitor growth in Semester 2.

Upcoming January 17th - Course Selection Planning

SEMESTER ONE Gr. 8 & 9 Careers Dates for Block 5		SEMESTER ONE Gr. 8 Advisory Dates for Block 5	
Thursday	Tuesday	Grade 8 Advisory #7	Thurs. Jan. 12
January 5	January 17	Grade 8 Advisory #8	Tues. Jan. 24

Teacher locations during Block 5: [bit.ly/rrFITlocations22](https://bit.ly/rrFITlocations22) This list will help students plan their effective use of their flexible instruction time.

Automated phone calls/emails are sent home when students are absent from a class. This includes Block 5 for grade 8 students and Careers for grade 8 and 9. The automated call system does not specifically explain which block a student missed, so we do ask that parents/guardians discuss any unexpected absence calls with your student first, then call our office if you have further questions or inquiries.

## RECURRING ITEMS

**Annual Winter Weather Reminder:** Use this link for information about the communication of weather closures and procedures: [SCHOOL DISTRICT WINTER WEATHER PROCEDURES](#)

### District Affordability Fund

The Ministry of Education has provided West Vancouver Schools \$650,000, a one-time funding grant for us to make the 22/23 school year more affordable for students and families in need. We have now received the funding for our 18 schools and have allocated the money based on the specific needs of each of our school communities. Our allocation:

- Will allow schools to cover costs for school fees, school supplies or other school related costs for students in need
- Some funds will be used to benefit large groups of both elementary and secondary students

Families are encouraged to reach out to Mr. Kolkea if any financial support is needed for school-based supplies, fees or activities.

### 2023-24 Secondary Timetable

The current “Transitional Secondary Timetable” was designed to provide flexibility and support for students, schools, and programs as we navigated COVID 19 restrictions, guidelines and uncertainty. As part of the 2023-24 timetable planning process, the school district used feedback from the Spring 2022 Student, Parent and Staff timetable surveys, and conducted a series of timetable focus group conversations. These focus groups have included conversations with the teachers, staff, students, parents, as well as representatives from our district programs, courses and departments.

After careful consideration, to best meet the needs of our students, schools, and diverse programs, West Vancouver Schools will be transitioning to a Linear Secondary Schedule that includes flexible instructional time for the 2023-2024 school year. In a linear timetable students will take eight courses for the entire school year instead of the current two semester timetable, where students take four courses at a time for half the year. Flexible instructional time provides students with time and flexibility to engage in personalized learning. This may include additional support, guidance with specific curriculum and interests, the opportunity to collaborate with others, and time to complete assignments, assessments and projects.

Over the next few months, the school district will work closely with schools to design a linear timetable that is responsive to the needs of our diverse programs, and enhances student choice, experiences, and opportunities. Final timetable details will be communicated before Spring Break.

## Health & Safety

We want to ensure all our families know that the wellness of our Rockridge community is always top of mind. There are three simple reminders we continue to share with staff, students and caregivers:

1. Hand hygiene is an effective means to prevent illness.
2. Wearing a mask is always an option for members of our school community.
3. If you are not well, stay home, rest and return when you are better. Students can use Google Classroom, contact their teacher or classmates to keep up with assignments.
4. **Cold & Flu Season** - When to keep your child home from school - click [here](#)

### **Traffic Safety at Rockridge**

Our traffic and safety committee will be meeting again in the new year to review action items and messages to improve traffic flow and safety around our school.

### **SchoolCash Online - Student Fees**

Rockridge uses School Cash Online for school items requiring payment. This system is utilized throughout the West Vancouver School District, and you and your child will continue to receive payment requests in this manner. If you are new to the WV School District and have not yet registered for SchoolCash Online, we can provide you with a temporary PIN number to be used the first time you log in, then you will be prompted to create a login and password for future access. Please email [rockridge@wvschools.ca](mailto:rockridge@wvschools.ca) with your student's name and grade to request this PIN if you are not yet set up with an account.

### **Excused Absences and Early Dismissals**

If a student will be late for school or missing a block, parents are requested to inform the school by sending an email to [rockridge@wvschools.ca](mailto:rockridge@wvschools.ca). Please include the student's full legal name and grade, time of Absence and Reason for Absence. Students arriving 'late' for class should proceed directly to their class and check in with the teacher who will modify the attendance to indicate 'late' rather than 'absent'.

### **Policies & Procedures Form 2022-2023** - <https://eforms.sd45.bc.ca/Form/PandP>

This online verification and consent form requires a parent login and must be completed for all students each year. If a parent previously created an account to complete the 21/22 form, the account is the same. If you have forgotten your password, you can follow the instructions to reset it. Once logged in, parents have the option to either update a P+P form created last year or start a new one.

Please be aware that a new P+P consent form MUST be completed for each student, each school year. Without a completed consent form, students are not permitted to access their Google classrooms, have their photos included in the yearbook etc. Permissions expire on August 31 each year.

### **Student Verification & Emergency Release Forms**

These forms were sent home with your child at the beginning of the school year. Please return as soon as possible so that we can complete our Emergency Preparedness Plan.

### **MyEducation BC & BC Services Cards**

MyEducation BC has developed a new feature that provides BC students and parents with the choice to connect their BC services card to MyEducation BC and use the BC services card app, rather than the

district issued username and password. Please see the [MyEducation BC Family Portal](#) on the West Vancouver Schools Website and select 'Student Portal Guides' or 'Family Portal Guides' as appropriate for further information.

**2021-2022 Yearbooks Available (Last Year's Books)**

If you missed your chance to buy a yearbook last year, we have a limited number available! You can purchase them from the office for \$50 by credit or debit.
