

Last Thursday night's Jazz Cafe was a celebration of the arts here at Rockridge. Led by Mr. Parker and supported by our incredible arts and applied skills department teachers, student talents were showcased throughout the evening on many levels. For a quick 3 minute look and listen recap of this successful event, please click on the following link: <https://youtu.be/fxRITjy4mmM>

Kanata, Interact, & Dear Asian Youth clubs joined Ms. Coulthard to host Rockridge's first INTERNATIONAL LUNCH since 2019. Many thanks to our PAC executive and parent volunteers who helped make this event such a success.

Nowruz Celebrations were held at Rockridge this week. Students and staff made decorations, organized a scavenger hunt and created a beautiful haft-seen table at our main entrance. Nowruz, (say "No-rooz") means New Day, and is the official beginning of spring (spring equinox-around March 21st) and marks New Year for Persian and many other communities. Best wishes everyone!

The Rockridge AP Physics STEM cohort traveled to the KPU Richmond campus last week with Mr. Trask, Mr. Lawson and Mr. Wellsby. The experience was excellent for students and staff!

The Eco Cooks Program ran in Ms. Grant's Foods Classes this week. EcoCooks is a science-based environmental cooking program that addresses how food choices impact the health of our planet. By exploring fun, hands-on projects at the intersection of cooking and the environment, students were inspired and empowered to connect their choices in the kitchen with their health, the planet, and its inhabitants.

Rockridge students at the Art Showcase Monday night! It was a truly magical evening; our students were beaming with pride seeing their art displayed, admired, and in many cases purchased.

Spring sports will be keeping our Ravens busy after Spring Break. Look for schedules, updates and results on our social media accounts and here in the E-Bulletin.
