A MESSAGE FROM THE PRINCIPAL

Welcome back to our weekly Thursday E-Bulletin. I hope your Spring Break provided some change for your family from the usual weekly work and routines. We have returned to a beautiful week of sunshine with both students and staff jumping right back into classes, teams, clubs, trips and special events. As you will have noticed from the calendar above, news items below and the attached Raven Life, Rockridge Secondary is full of opportunity from our classrooms to the gym, to the stage and beyond. I'll be heading off shortly to catch some of our Raven girls soccer team, playing at Carson Graham today and hopefully afterwards will have time to see the boys take on Mountainside in North Vancouver on the rugby pitch too.

I also thank you parents/guardians, in advance, for helping keep learning a priority as the weather gets nicer and spring schedules get busy. Our Ravens need ongoing conversations and guidance to keep making their best learning a priority.

I appreciate the time you take to scroll down through our weekly E-Bulletin to stay informed about our Rockridge school community. Be sure to check out this week's Raven Life attachment that has some new photos and captions advertising some special events taking place at Rockridge in the days ahead.

The Rockridge sports field is a classroom space, used by classes and teams, many of which will begin regular practices and games in our first week back. BEAT THE VAPE A Smoking Cessation Club at The Rock

Supporting students with making healthy and safe choices is important and challenging work. We know that educating and supporting adolescents around substance use and reduction requires student buy-in and engagement, but also adult expertise. With this in mind, we are pleased to introduce a new club opportunity for students at Rockridge called Beat the Vape. In partnership with VCH Tobacco & Vapour Reduction members, our Youth Worker, Leanne will be piloting a seven-week club during Block 5 for students who would like support to quit vaping.

1. The club meets on Tuesdays at 1:15 to 2:00pm *during Block 5*
2. The club runs for 7 weeks per sessions in G-201
3. We have 10 spaces available for students to join each session.
4. Students who would like to join can sign up directly with Leanne by visiting our counselling office or by emailing her.
5. Parents/guardians who would like to have their student attend can contact Leanne via email at LWarner@wvschools.ca or Garth Thomson GThomson@wvschools.ca, Jennifer Towers JTowers@wvschools.ca or Trevor Kolkea TKolkea@wvschools.ca
6. Parents/guardians will be important partners in our club to help support student attendance to be successful in achieving their goals

More about the program: The Lung Health Foundation smoking and vaping cessation program targets youth ages 14-19 who are interested in quitting. The program offers a self-directed, stage-by-stage quit

plan based on whether users want to quit smoking, vaping or both. It includes customizations to support the user on their individual quit journey based on their unique quit goals. This adult-facilitated program portions are integrated with both the Quash website and mobile app tools.

District Affordability Fund

The Ministry of Education has provided West Vancouver Schools \$650,000, a one-time funding grant for us to make the 22/23 school year more affordable for students and families in need. We have now received the funding for our 18 schools and have allocated the money based on the specific needs of each of our school communities. Our allocation:

- Will allow schools to cover costs for school fees, school supplies or other school related costs for students in need
- Some funds will be used to benefit large groups of both elementary and secondary students

Families are encouraged to reach out to Mr. Kolkea if any financial support is needed for school-based supplies, fees or activities.

Health & Safety

We want to ensure all our families know that the wellness of our Rockridge community is always top of mind. There are three simple reminders we continue to share with staff, students and caregivers:

1. Hand hygiene is an effective means to prevent illness.
2. Wearing a mask is always an option for members of our school community.
3. If you are not well, stay home, rest and return when you are better. Students can use Google Classroom, contact their teacher or classmates to keep up with assignments.
4. **Cold & Flu Season** - When to keep your child home from school - click [here](#)

SchoolCash Online - Student Fees

Rockridge uses School Cash Online for school items requiring payment. This system is utilized throughout the West Vancouver School District, and you and your child will continue to receive payment requests in this manner. If you are new to the WV School District and have not yet registered for SchoolCash Online, we can provide you with a temporary PIN number to be used the first time you log in, then you will be prompted to create a login and password for future access. Please email rockridge@wvschools.ca with your student's name and grade to request this PIN if you are not yet set up with an account.

Excused Absences and Early Dismissals

If a student will be late for school or missing a block, parents are requested to inform the school by sending an email to rockridge@wvschools.ca . Please include the student's full legal name and grade, time of Absence and Reason for Absence. Students arriving 'late' for class should proceed directly to their class and check in with the teacher who will modify the attendance to indicate 'late' rather than 'absent'.

Automated phone calls/emails are sent home when students are absent from a class. This includes all Block 5 classes for grade 8s and Careers presentation classes for grade 8 and 9. The automated call system does not specifically explain which block a student missed, so we do ask that parents/guardians discuss any unexpected absence calls with the student first, then call our office with further questions.

Policies & Procedures Form 2022-2023 - <https://eforms.sd45.bc.ca/Form/PandP>

This online verification and consent form requires a parent login and must be completed for all students each year. If a parent previously created an account to complete the 21/22 form, the account is the same. If you have forgotten your password, you can follow the instructions to reset it. Once logged in, parents have the option to either update a P+P form created last year or start a new one.

Please be aware that a new P+P consent form MUST be completed for each student, each school year. Without a completed consent form, students are not permitted to access their Google classrooms, have their photos included in the yearbook etc. Permissions expire on August 31 each year.

Student Verification & Emergency Release Forms

These forms were sent home with your student at the beginning of the school year. If they are still at your home, please return them so we can complete our Emergency Preparedness Plan.

MyEducation BC & BC Services Cards

MyEducation BC has developed a new feature that provides BC students and parents with the choice to connect their BC services card to MyEducation BC and use the BC services card app, rather than the district issued username and password. Please see the [MyEducation BC Family Portal](#) on the West Vancouver Schools Website and select 'Student Portal Guides' or 'Family Portal Guides' as appropriate for further information.
