

Ms. Seltzer's Socials 10 students reflect that the best way to study WW2 is to have to debate and justify terms and concepts for candy and bonus marks.

Raven Mountain bikers were back on the course at Richard Juryn on Wednesday.

See result details in the Ebulletin.

Our amazing Raven Ultimate team came 6th in the Zone playoffs this week. Winning our 1st game – helped us get that placement. We are most proud that we won the Spirit Banner. This is reviewed after each game and voted on by the officials – we are so honoured to be seen as the team with the most positive spirit!

Alex Forbes and Julia Adkins, 2022 graduates both won a \$1000 scholarship for their work in the [Youth Work in Trades Program](#) while at Rockridge.

This program is offered to Rockridge students who are interested in exploring trades while attending high school. They can obtain up to 16 credits and accumulate hours towards a trade at the same time. Alex Forbes, photographed here receiving her scholarship, accumulated her hours working towards a professional Chef designation and is now studying Engineering at Western University in London, Ontario. Students interested in finding out more about Youth Work In Trades, are encouraged to come to the Career Centre for details.
