

PIC•COLLAGE

Last Friday the Rockridge staff were treated to the incredible kindness of our PAC (parent community). Many thanks to all our donors, volunteers and especially to the head coordinator Rachel Loerch Japiassu who created such a special Staff Appreciation lunch. Music was provided by the talented Sam J. (Gr. 8).

Last Friday's presentations at WVSS gave staff an opportunity to learn from three different speakers who offered learning through storytelling, song and the power of circles. The speakers included Carolyn Roberts who shared the pedagogy and practice of circles. Rebecca Duncan who creatively shared about connecting language, culture and the land to education and truth and reconciliation. Lastly, Sahplek - Bob Baker provided us with connections to song, land and legends.

Farm to School BC Conference at UBC: James M. & Max W. attended a conference with our own Ms. Grant. They did an amazing job of sharing information about our program with conference delegates during the poster & exhibition hour.

Today the Rockridge Careers Department hosted our annual Career Expo featuring an outstanding list of professional guest speakers for our Grade 11 & 12 students. See below for some photos!

Ms. Lambie sent along a few pictures from the three day, two night Outdoor Rec kayak trip that returns home today. Place based learning, connecting to the land and water, being physically active, building leadership skills and having fun are just some of what comes to mind when enjoying these pictures. (note: lower resolution pics so they could be sent/received)

Over the long weekend, students from three North Shore schools gathered at Argyle Secondary for NSMUN (North Shore Model United Nations). Pictured above are our tri-school executives from the event including our own Rockridge students. Front row: Adele A, Argyle Student, Kathy W, Katelyn J, and Sentinel student. Back row Argyle student, Emily L, Baran C, and Hanna N.

This week's student photo from Mr. Taguchi's photography class is from Gr. 12 student, Alice B.
