A MESSAGE FROM THE PRINCIPAL

This week I have been very focused on planning with our hard-working Parent Advisory Council executive members to prepare for our upcoming AGM next Wednesday at 6pm. If you have not yet joined one of our PAC meetings in person, or with Zoom, I would encourage you to attend and get first-hand information about our PAC initiatives and add your voice to next year’s planning. Along with next week’s annual general meeting, the PAC is also busy planning our upcoming Rockridge golf fundraiser and the final details for the highly anticipated outdoor gathering area. As you scroll through today’s bulletin you will find more information from our PAC included for your convenience. There will also be a special PAC newsletter published on Friday to provide you with full details.

I am grateful for the active and dedicated volunteers who have assumed the leadership positions with the Rockridge PAC this year - they represent our parent community with passion, pride and dedication to improving student learning and opportunities here at the Rock. In case you are not sure who the wonderful executive is, just [click here for a list](#).

You may recall my opening message in August 2022 that reflected the importance of parents as participants in our school, not just as partners. The action oriented nature of our PAC as participants is

what has made a positive impact on students and school culture this year. I hope this brief, but important acknowledgement of the Rockridge PAC has intrigued and inspired you to learn more . . . and we'll see you next Wednesday at 6pm.

Thank you for reading this week's E-Bulletin to stay informed about our Rockridge school community. Be sure to check out this week's **Raven Life** attachment with updated photos and captions celebrating our students participation in special events, sports and learning here at Rockridge this week.

Student Parking - Important Reminders

Recently there have been a large number of unregistered student vehicles parked in our Visitors spaces and in the Student Parking lot. So many, that those who have purchased decals are finding nothing available to them when they arrive. Due to this, we have begun noting vehicles and plate numbers and re-offending vehicles **may be towed at owners' expense**. Vehicles parked in the Rockridge student designated lot must **clearly** display a decal, which can be purchased from the office for \$25. Please ensure that you have purchased your decal from the office.

Note: At no time are students permitted to park in Visitor spots

K-12 Student Reporting Policy Support Materials for Families

The new Student Reporting Policy aligns with the redesigned curriculum (Know, Do & Understand) and creates consistency across the province. These updated reporting practices also ensure alignment with B.C.'s provincial assessment system. The use of the Provincial Proficiency Scale views learning as ongoing, rather than signaling learning is done. It also maintains high standards for students by focusing on helping all students attain proficiency in their learning.

Information for parents and caregivers regarding the changes to K-12 Student Reporting Policy are now available in 8 languages. The documents aim to help parents and caregivers understand the upcoming changes to the K-12 Student Reporting Policy, which will be implemented this fall for the 2023/24 school year. The complete information package can be found on the [K-12 Student Reporting Policy Information for Families](#) web page.

In a thrilling display of skill and determination, the mountain bike team delivered a sensational performance yesterday, leaving spectators and fans alike in awe. The riders showcased their talent and resilience, pushing their limits to achieve remarkable results. Leading the charge was Aiden, who delivered a season-best performance that left everyone amazed. Not to be outdone, Luca demonstrated his unwavering commitment in a race that will be remembered for its technical climbs and fast descent. Finn and Rogan showcased their fearless approach by taking calculated risks and making bold line choices. Their audacity paid off as they soared through the course, leaving spectators gasping in awe. They even dared to conquer the famed "Beast Stump," Meanwhile, Ben continues to impress with his consistent performances. Once again, he delivered a rock-solid outing, displaying great technique and determination. Ben's continuous improvement and dedication to the sport are evident in his impressive rides, and his contributions to the team's success should not be overlooked. As the team revels in their recent triumphs, they ride into the last of the season series with the league finals in Whistler next Wednesday.

District Affordability Fund

The Ministry of Education has provided West Vancouver Schools \$650,000, a one-time funding grant for us to make the 22/23 school year more affordable for students and families in need. We have now received the funding for our 18 schools and have allocated the money based on the specific needs of each of our school communities. Our allocation:

- Will allow schools to cover costs for school fees, school supplies or other school related costs for students in need
- Some funds will be used to benefit large groups of both elementary and secondary students

Families are encouraged to reach out to Mr. Kolkea if any financial support is needed for school-based supplies, fees or activities.

Health & Safety

We want to ensure all our families know that the wellness of our Rockridge community is always top of mind. There are three simple reminders we continue to share with staff, students and caregivers:

1. Hand hygiene is an effective means to prevent illness.
2. Wearing a mask is always an option for members of our school community.
3. If you are not well, stay home, rest and return when you are better. Students can use Google Classroom, contact their teacher or classmates to keep up with assignments.
4. **Cold & Flu Season** - When to keep your child home from school - click [here](#)

SchoolCash Online - Student Fees

Rockridge uses School Cash Online for school items requiring payment. This system is utilized throughout the West Vancouver School District, and you and your child will continue to receive payment requests in this manner. If you are new to the WV School District and have not yet registered for SchoolCash Online, we can provide you with a temporary PIN number to be used the first time you log in, then you will be prompted to create a login and password for future access. Please email rockridge@wvschools.ca with your student's name and grade to request this PIN if you are not yet set up with an account.

Excused Absences and Early Dismissals

If a student will be late for school or missing a block, parents are requested to inform the school by sending an email to rockridge@wvschools.ca. Please include the student's full legal name and grade, time of Absence and Reason for Absence. Students arriving 'late' for class should proceed directly to their class and check in with the teacher who will modify the attendance to indicate 'late' rather than 'absent'.

Automated phone calls/emails are sent home when students are absent from a class. This includes all Block 5 classes for grade 8s and Careers presentation classes for grade 8 and 9. The automated call system does not specifically explain which block a student missed, so we do ask that parents/guardians discuss any unexpected absence calls with the student first, then call our office with further questions.

Extended Absences

Daily attendance is critical to ensure student success here at Rockridge. **We do not recommend** absences during the school term but realize they may be unavoidable. Please keep in mind that certain classroom activities and assessments may not be able to be made up if missed. Please notify the school a minimum of one week in advance using this [form](#) for an extended absence. Teachers are not required to provide extra classes, make-up tests or specific work to be completed.

Policies & Procedures Form 2022-2023 - <https://eforms.sd45.bc.ca/Form/PandP>

This online verification and consent form requires a parent login and must be completed for all students each year. If a parent previously created an account to complete the 21/22 form, the account is the same. If you have forgotten your password, you can follow the instructions to reset it. Once logged in, parents have the option to either update a P+P form created last year or start a new one.

Please be aware that a new P+P consent form **MUST** be completed for each student, each school year. Without a completed consent form, students are not permitted to access their Google classrooms, have their photos included in the yearbook etc. Permissions expire on August 31 each year.

Emergency Release Forms

These forms were sent home with your student at the beginning of the school year. If they are still at your home, please return them so we can complete our Emergency Preparedness Plan.

MyEducation BC & BC Services Cards

MyEducation BC has developed a new feature that provides BC students and parents with the choice to connect their BC services card to MyEducation BC and use the BC services card app, rather than the district issued username and password. Please see the [MyEducation BC Family Portal](#) on the West Vancouver Schools Website and select 'Student Portal Guides' or 'Family Portal Guides' as appropriate for further information.
