

The Haida hat is Regalia for ceremonies and is a durable shelter from the rain.  
Worn by everyone and made with cedar bark which is only harvested in early summer.

Predominantly made by women.

The cedar hat is also created by many tribes of the Pacific Northwest.

Perhaps one of the most fun events I have had the pleasure of participating in @RockridgeSS this year. The annual colour run - organized and hosted by our students with proceeds going to the Linda Harrison Youth Fund. #westvaned

Ms Riahi arranged for a Crepe truck to visit again this semester to add to the authentic food experience for our French classes.

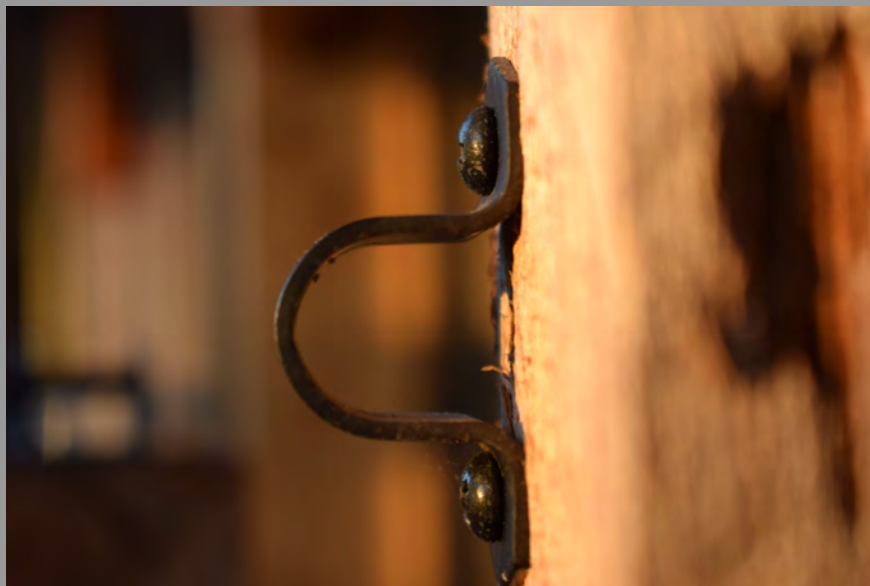

Congratulations to our Rockridge PAC for hosting a very successful and incredibly fun (first annual) Rockridge Golf Tournament. Special thanks to our committee members Sara Gardner, Teresa Corey, Lisa Mingo, Denise Nosella, Kelly Richter and Kim Whittall (*Golf pros Mr. Kolkea and Mr. Thomson also included in this photo*)

Another successful presentation of learning from our Science Department featuring the Grade 8 Science Fair Part II. Thank you to our special guests - our parents and family members who attended, and classes from Gleneagles Ch'axáy Elementary School.

This week we feature Shelby J's photo from Mr. Taguchi's Photography class.
