**A MESSAGE FROM THE PRINCIPAL**

In looking ahead to next week, there are a few empty spaces in the calendar above. While this reflects a quieter week of school-wide events, there are still many updates we would appreciate you reviewing in today’s E-Bulletin. Our PAC has been particularly busy with upcoming fundraising events - the Raven Life even includes a special appearance of The Raven with some of the golf tournament organizers! This week we have included a special message and opportunity for students and family members to attend an information session about vaping in early June. This valuable session will be hosted at Rockridge and open to all families in West Vancouver.

Over the last two weeks I have been collecting some great student success stories to share with our school community. Next week my principal’s message will share a spotlight on some of the remarkable accomplishments from our Ravens here at The Rock, throughout the province and across the globe!

*Be sure to check out this week’s attached **Raven Life** PDF for spring sports photos, posters of upcoming events and more from this week at The Rock.*

### Vaping Information from WV Schools

Vaping has continued to decline in our schools, and we are committed to ensuring school environments are tobacco and vape free. However, we know that vaping still occurs. In addition to ongoing student education, our schools regularly monitor and supervise all school spaces and post visuals in our schools reminding students that our facilities are vape free.

One of the ways we would like to support our families and youth in learning more about vaping is partnering with Foundry for an upcoming series entitled “Youth & Vaping – Information, Considerations & Impacts” on June 12<sup>th</sup> at Rockridge Secondary.

This evening event will be led by keynote speakers: Lindsay MacDonald and Lauren Wilkinson, both of whom have extensive knowledge surrounding the world of youth and vaping. Topics to be discussed will include:

- Youth vaping rates
- Stats
- Products
- Industry influence
- Health impacts including addiction
- local support for youth.

Registration for this event will come out in mid May.

### THIS WEEK’S MYP MOMENT

Last week, we started our journey through the Learner Profile, which consists of the 10 traits that represent the qualities of successful citizens we would hope all our learners grow to become. Last week, we took a look at the characteristic: Knowledgeable.

This week, we’re going to continue our journey with the Learner Profile characteristic: **Inquirer**

Learners who are inquirers are genuinely curious about the world and life around them. They love to investigate and use a wide variety of tools to do so. Inquirers love to learn, and they continue to do so throughout their lives beyond the classroom!

If you would like to know a bit more about what it means for a learner to be an inquirer, you can find a video introduction [here](#).

*How can you help your learners grow to be inquirers at home?*

- Encourage your students' interests by researching together and accessing resources (libraries, museums, provincial parks, etc.) that allow you to delve into the topics!
- Model wonder for your students! Not everything has to have an instant answer. Ask questions. Develop discussion.
- Admit when you don’t have an answer to something! Model the steps you should take, when you need help with something.
- Ask your Rockridge learners about the information they’re taking in, not only from school, but the internet, TV shows, movies and social media platforms too! Work with them to help them understand that not all information is from reputable sources or depicts how things really are in the world.

**TOUR OF THE ROCK DAY** - The next tour will be Monday, May 27th from 12:00 to 1:00pm. Do you know a family that may be interested in registering at Rockridge in the future? Please pass along this information to them so they can join us at our next school tour. **Inquiries and RSVP:**

## **ROCKRIDGE SCHOOL NEWS**

### **ESP POP-UP SHOP EVENT - Monday, May 6th, from 3:00 - 4:00 PM - see poster in Raven Life**

**Rockridge families!** Come Join us at Rockridge for a showcase of young entrepreneurial talent at the ESP Pop-Up Shop.

- This event is a highlight of the **Economic Strategies Program (ESP)**, where students from our intensive merger of Economics 12 and E-Commerce 12 courses showcase the businesses they've built from the ground up.
- Not only does ESP teach core principles of economics and e-commerce, it also fosters real-world skills through group collaboration and capstone projects like Junior Achievement's Company Program and UrbanPlan. ESP helps instill confidence and creativity in young minds poised to become tomorrow's leaders in business.

### **GRAD SHOW 2024 - Ferry Building Gallery May 9th - June 2nd - see poster in Raven Life**

Every year, the Ferry Building Gallery hosts an art show of select work by the Grade 12 students from all West Vancouver schools. It's always one of the most popular shows they put on and the work is always innovative and provocative.

If you are wandering down by the West Vancouver Seawall at the bottom of 14<sup>th</sup> Street - do check out the show which opens May 9<sup>th</sup> and runs to June 2<sup>nd</sup>.
