

British Properties Art Installation

This installation is in celebration of the 30 year anniversary of the West Vancouver Museum. The installation is the recreation of a print of a work made by renowned visual artist and former West Vancouver resident B.C. Binning. The students pictured are Isaac P and Connor B. They were responsible for recreating the signature on the print by digitally recreating it and then laser cutting it out of wood. They are pictured with Mr. Trask (Prime Minister's Award for Teaching Excellence) and district staff who installed the piece this week.

That iconic moment when the Class of 2024 launches their caps together to mark the end of commencement at the Orpheum last Sunday. It was a special ceremony that highlighted each of our Raven graduates as they look ahead to the next part of their life journey . . . beyond their high school graduation.

The Really Gay History Tour in Vancouver

Students Immerse themselves in the history and culture of Vancouver's LGBTQ2+ community on this half-day guided walking tour designed to show the history of the movement.

The Really Gay History Tour in Vancouver

Pied for Pride took place last Friday to help celebrate and kick off Pride month, as well as, raise funds to support local charity “Qmunity” to support LGBTQ+ youth.

The Sounds of Spring Music Concert was another wonderful celebration of learning and a fabulous showcase of the talented musicians that make up our student bands, choir and drumline.

"TRY" RUGBY DAY

WEDNESDAY JUNE 12 & THURSDAY JUNE 13

3:00 PM - 4:30 PM

@ BICS FIELD

OPEN TO GRADES 6 & 7

Come join BICS alumni and current members of the Rockridge rugby team alongside Mr. Williams, Rockridge teacher & coach, who will be putting on a fun non-contact clinic over the two days focused on learning the basics of the game. The focus will be on passing, skills and most importantly having fun!! As a bonus, there will be freezies after the session!!

Part of our support for positive student transitions to Rockridge is accomplished through visits to our feeder schools. Above - is just one example of a recent opportunity for our new Ravens who will arrive in September as the Class of 2029.
