This week we welcomed our future Ravens to Rockridge. Grade 7 students from our feeder schools and out of catchment were introduced to the school, provided a tour of the building with our mentor students and ended with a BBQ. We look forward to all of our future Ravens joining us in September.

Two of our 2023 graduates returned to pick up their \$1000 Youth Work in Trades award for working over 900 hours in a trade while in secondary school! Congratulations, Simeon and Calli! To learn more about how you could qualify for an award contact Ms. Kashani pkashani@wvschools.ca

On June 3 & 6 Grade 10 and Senior Social Studies students had the opportunity to be visited by the mobile classroom “Tour for Humanity”, from the Friends of Simon Wiesenthal Centre in Toronto. In the Global Perspectives workshop students learned about Dr. Stanton’s 10 Stages of Genocide focusing on the Holocaust and other genocides such as in Cambodia and Rwanda.
